

American Future Fuel Enters into Marketing Agreement with SRC Swiss Resource Capital AG

27.11.2023 | [GlobeNewswire](#)

Vancouver, Nov. 27, 2023 – [American Future Fuel Corporation](#) (CSE: AMPS; OTCQB: AFFCF; FWB: K14, WKN: A3DQFB) (the “Company” or “American Future Fuel”), is pleased to announce its engagement with SRC Swiss Resource Capital AG (“SRC”), an independent entity, to provide investor relations, digital translation, news, and communications services in Europe (the “Services”). In exchange for the Services, the Company will remit CHF 5,000 monthly, due on the first of each month, for a one-year duration. Following this period, the contract will automatically renew on a quarterly basis, with termination possible by either party with a notice period of seven (7) days before the renewal date.

The consideration provided to SRC does not involve any securities of the Company. Beyond this specific engagement, there exists no other relationship between the Company and SRC, including with Mr. Jochen Staiger, the CEO of SRC.

SRC’s business address is located at Poststr. 1, CH-9100 Herisau, email at js@resource-capital.ch, telephone number at +41 71 354 8501, and website is www.resource-capital.ch.

ABOUT AMERICAN FUTURE FUEL

American Future Fuel Corporation is a Canadian-based resource company focused on the strategic acquisition, exploration and development of alternative energy projects. The Company holds a 100% interest in the Cebolleta Uranium Project, located in Cibola County, New Mexico, USA, and situated within the Grants Mineral Belt, a prolific mineral belt responsible for approximately 37% of all Uranium produced in the United States of America.

On behalf of the Board of Directors, AMERICAN FUTURE FUEL CORPORATION

David Suda
Chief Executive Officer

This news release includes certain “forward-looking statements” under applicable Canadian securities legislation. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward looking statements. Such factors include, but are not limited to: general business, economic, competitive, political and social uncertainties, uncertain capital markets; and delay or failure to receive regulatory and other approvals. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
