

Palladium One Mining Inc. Corporate Update

27.12.2023 | [Newsfile](#)

Toronto, Dec 27, 2023 - [Palladium One Mining Inc.](#) (TSXV: PDM) (OTCQB: NKORF) (FSE: 7N11) (the "Company" or "Palladium One") is pleased to announce the appointment of Mr. Cameron Bell, M.Sc., P.Geo to its board of directors effective immediately.

Mr. Bell spent most of his career with Inco and Vale, engaged in both greenfield and brownfield exploration and was a Regional Manager of North America and Australasia/Oceania. Additionally, he held senior technical and management roles at Voisey's Bay and the Sudbury Basin. Cameron brings a deep nickel - copper - PGE exploration background including extensive experience in the Kluane district in the Yukon where the Company's Canalask Ni-Cu project is located. Mr. Bell completed his MSc at the University of British Columbia and has been working as an exploration consultant focusing on nickel, copper and lithium projects globally.

"We are thrilled to have Cameron join Palladium One as a board member and look forward to his technical contribution to our magmatic sulphide nickel - copper exploration focus," stated Derrick Weyrauch, President and CEO.

The Company also announces the retirement of Mr. Peter Lightfoot from its board of directors.

"We wish to thank Peter for his valuable insight and support during his term with the Company and wish him all the best for the future," stated Derrick Weyrauch, President and CEO.

About Palladium One

[Palladium One Mining Inc.](#) (TSXV: PDM) is focused on discovering environmentally and socially conscious Critical Green Transportation Metals. A Canadian mineral exploration and development company, Palladium One is targeting district scale, nickel - copper sulphide and platinum-group-element (PGE) deposits in Canada and Finland. The L ntinen Koillismaa (LK) Project in north-central Finland, is a PGE-copper-nickel project that has existing NI43-101 Mineral Resources, while both the Tyko and Canalask high-grade nickel-copper projects are located in Ontario and the Yukon, Canada, respectively. Follow Palladium One on LinkedIn, Twitter, and at www.palladiumoneinc.com.

ON BEHALF OF THE BOARD

"Derrick Weyrauch"
President & CEO, Director

This press release is not an offer or a solicitation of an offer of securities for sale in the United States of America. The common shares of [Palladium One Mining Inc.](#) have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration.

Information set forth in this press release may contain forward-looking statements. Forward-looking statements are statements that relate to future, not past events. In this context, forward-looking statements often address a company's expected future business and financial performance, and often contain words such as "anticipate", "believe", "plan", "estimate", "expect", and "intend", statements that an action or event

"may", "might", "could", "should", or "will" be taken or occur, or other similar expressions. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among others, risks associated with project development; the need for additional financing; operational risks associated with mining and mineral processing; fluctuations in mineral and commodity prices; title matters; environmental liability claims and insurance; reliance on key personnel; the absence of dividends; competition; dilution; the volatility of our common share price and volume; and the impact of governmental entities. Forward-looking statements are made based on management's beliefs, estimates and opinions on the date that statements are made and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change. Investors are cautioned against attributing undue certainty to forward-looking statements.
