

Intrepid Metals Closes Leocor Private Placement Financing

08.01.2024 | [Newsfile](#)

Vancouver, January 8, 2024 - [Intrepid Metals Corp.](#) (TSXV: INTR) (OTCQB: IMTCF) ("Intrepid" or the "Company") announces that on January 5, 2024 it closed \$3.23 million in proceeds from its previously announced non-brokered private placement (the "Offering"). The initial closing included \$3 million in proceeds from Leocor Gold Inc. (CSE: LECR) ("Leocor"). Prior to closing of the Offering, on January 4, 2024 the Company completed a consolidation of its common shares on the basis of one post-consolidation common share for every two pre-consolidation common shares (the "Consolidation").

The Offering consisted of:

1. The issuance of 7,276,470 units (the "Units"), with each Unit consisting of one post-Consolidation common share and one common share purchase warrant (each a "Warrant") at a price of \$0.34 (post-Consolidation) per Unit for aggregate gross proceeds of \$2.474 million. Each Warrant entitles the holder thereof to acquire one additional common share at a price of \$0.40 (post-Consolidation) until January 5, 2026.
1. The issuance of 2,223,529 pre-funded special warrants units at a price of \$0.34 (post-Consolidation) per Special Warrant for aggregate gross proceeds of \$0.756 million. Each Special Warrant shall entitle the holder thereof to acquire one Unit, for no additional consideration but subject to an exercise limitation such that Leocor may not exercise if it would result in them having beneficial ownership over common shares in excess of 19.9%, for a period of five years from the closing date of the Offering.

All securities issued in the Offering are subject to a statutory hold period that expires on May 6, 2024.

As part of the transaction, Leocor had the right to nominate two directors to the Board of Directors of the Company and it has nominated Mr. Alex Klenman and Mr. Brian Shin.

Mr. Klenman brings over three decades of both public and private sector business development, finance, marketing, branding, media, and corporate communications experience as CEO of Leocor. After a decade in private sector media related positions, which included notable board positions with CKVU Television and Canwest Pacific Television in Vancouver, he began his career in the public markets in the late 1990s serving in business development and communications roles for publicly listed Internet and tech companies. Over the past decade Mr. Klenman has held senior management, consulting roles, and board positions with multiple TSX Venture and CSE listed companies. As a consultant he worked closely with well known public resource companies such as Roxgold, Integra Gold, and Forum Uranium, and currently he holds board and senior management positions with several publicly traded resource companies, including Azincourt Energy, [Tisdale Clean Energy Corp.](#), Arbor Metals Corp, and Manning Ventures.

Mr. Shin specializes in providing financial reporting, corporate finance, auditing, corporate strategy, risk management and other accounting and consulting services to both public and private companies in various industries. Mr. Shin holds the professional designation of chartered professional accountant (CPA) in British Columbia. Mr. Shin worked as a consultant, focusing on developing corporate strategy for mid- to large-sized companies, as well as risk management for first-tier financial companies in South Korea. Additionally, he served as an auditor, conducting audits for internationally funded companies in Hong Kong. Currently, Mr. Shin holds the position of CFO for several public and private companies in Canada. Mr. Shin boasts extensive experience spanning approximately 15 years, serving in roles ranging from consultant to auditor, controller, and CFO. His expertise encompasses diverse industries across multiple countries, including Canada, Hong Kong, and South Korea, working with both publicly traded and private corporations.

Intrepid is concurrently conducting an additional non-brokered private placement (the "Secondary Offering")

consisting of up to 5,205,883 units (the "Secondary Units"), with each Secondary Unit consisting of one post-Consolidation common share and one common share purchase warrant (each a "Secondary Warrant") at a price of \$0.34 (post-Consolidation) per Secondary Unit for aggregate gross proceeds of up to \$1.77 million. Each Secondary Warrant shall entitle the holder thereof to acquire one additional common share at a price of \$0.40 (post-Consolidation) for a period of twenty-four (24) months from the closing date of the Secondary Offering. Intrepid intends to close the Secondary Offering in January 2024.

The net proceeds of the Offering and Secondary Offering will be used for exploration and development expenditures on the Company's mineral properties, investor relations activities and general working capital. Intrepid has agreed that no less than \$2,800,000 from the Offering will be utilized for the exploration and development of its mineral properties located in Cochise County, Arizona.

The Company has also appointed Mr. Leonard Karr, a representative of Mining and Mineral Opportunity Ltd. to the Board of Directors.

With over four decades of exploration and mining experience spanning five continents, Leonard "L.J." Karr commenced his career as a Junior Geologist with Derry, Michener and Booth in 1979. Progressing through roles as a miner, mine geologist, Chief Mine Geologist at the London Mine, and Project Geologist at Lihir for Kennecott, Mr. Karr subsequently served as a consultant for various companies, including Placer Dome and Orvana Resources.

He has also worked as a project manager/geologist and VP of Exploration for several junior companies in Latin America, China and Africa. While the preponderance of his experience is gold related, Mr. Karr's extensive portfolio also includes silver, base metal, uranium, and industrial mineral projects and as a geosteering engineer in Texas. His exploration experience covers the spectrum from mine site to regional scale programs. Mr. Karr has an M.Sc. in Geology from Colorado State University and a B.Sc. in Geological Engineering from Michigan Technological University. He is a Certified Professional Geologist with the American Institute of Professional Geologists and a Qualified Person under NI 43-101. Until last year, he was the President of the Denver Regional Exploration Geologists' Society.

As a result of the appointment of the new directors, Mr. Anthony Taylor and Ms. Colleen Roche have stepped down from the Board of Directors of the Company and have taken positions on the Company's Advisory Board. The Company appreciates the contributions of Mr. Taylor and Ms. Roche to its development and looks forward to their continued guidance as Advisory Board members.
