

Silver Mountain And Castrovirreyna Community Sign 20 Year Agreement Granting Use Of Land For The Planned H1 2025 Restart Of The Reliquias Mine

09.01.2024 | [CNW](#)

TORONTO, Jan. 9, 2024 - [Silver Mountain Resources Inc.](#) ("Silver Mountain" or "the Company") (TSXV: AGMR) (OTCQB: AGMRF) is very pleased to announce the signing of a 20 year surface use agreement with the Community of Castrovirreyna. This agreement fully covers the Reliquias Mine area and specifically allows the Company to carry out all surface exploration and mine development activities - including building tailings disposal facilities, concentrator plants, waste disposal facilities and underground developments - needed to operate an underground mine.

Alvaro Espinoza, CEO of Silver Mountain, stated: "The signing of this agreement is a major milestone for Silver Mountain. Our community outreach team has done an outstanding job building trust with the local communities and highlighting the benefits that modern mining bring to remote areas such as this area of Huancavelica. This agreement highlights the solid relationship we have built with our local stakeholders, and it represents an important step towards restarting the Reliquias mine in 2025, as planned."

The agreement entails Silver Mountain making annual payments and providing social and economic support to the Community of Castrovirreyna, in exchange for the right to carry out all mineral exploration and exploitation activities allowed under peruvian regulations on Community-owned land.

On Behalf of the Board of Directors of [Silver Mountain Resources Inc.](#)

Alvaro Espinoza, Chief Executive Officer

About Silver Mountain

[Silver Mountain Resources Inc.](#) is a silver explorer and mine developer planning to restart production at the Reliquias underground mine and undertake exploration activities at its prospective silver camps at the Castrovirreyna Project in Huancavelica, Peru.

For additional information in respect of the Castrovirreyna Project, please refer to the Company's technical report, titled NI 43-101 Technical Report Mineral Resource Estimate for the Reliquias Mine, Huancavelica-Peru, dated March 27, 2023, effective date March 18, 2023, available at <https://sedar.com>.

For further information about our drill program, including cross sections of the main veins with drill hole locations, please refer to our corporate presentation, available on our website at www.agmr.ca

Silver Mountain's subsidiary Sociedad Minera Reliquias S.A.C. owns 100% of its concessions and holds more than 60,000 hectares in the district of Castrovirreyna, Huancavelica, Peru.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Forward Looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of Canadian securities legislation (collectively, "forward-looking statements") that relate to Silver Mountain's

current expectations and views of future events. Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or future events or performance (often, but not always, through the use of words or phrases such as "will likely result", "are expected to", "expects", "will continue", "is anticipated", "anticipates", "believes", "estimated", "intends", "plans", "forecast", "projection", "strategy", "objective" and "outlook") are not historical facts and may be forward-looking statements and may involve estimates, assumptions and uncertainties which could cause actual results or outcomes to differ materially from those expressed in such forward-looking statements. No assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this news release should not be unduly relied upon. These statements speak only as of the date of this news release.

Forward-looking statements are based on a number of assumptions and are subject to a number of risks and uncertainties, many of which are beyond Silver Mountain's control, which could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking statements. Such risks and uncertainties include, but are not limited to, the factors set forth under "Forward-Looking Statements" and "Risk Factors" in the Company's final prospectus dated January 26, 2022, and other disclosure documents available on the Company's profile at www.sedar.com. Silver Mountain undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. New factors emerge from time to time, and it is not possible for Silver Mountain to predict all of them or assess the impact of each such factor or the extent to which they may cause actual results to differ materially from those contained in any forward-looking statements. Any forward-looking statements contained in this news release are expressly qualified in their entirety by this cautionary statement.
