15.01.2024 | [ACCESS Newswire](#)

VANCOUVER, January 15, 2024 - [Empress Royalty Corp.](#) (TSXV:EMPR)(OTCQX:EMPYF) ("Empress Royalty" or the "Company") is pleased to announce the appointment of Nora Pincus as Vice President Corporate Development of the Company.

"I am pleased to welcome Nora Pincus to the Empress Team as Vice President Corporate Development," stated Alexandra Woodyer Sherron, CEO & President of Empress Royalty. "Nora brings a wealth of experience and proven track record of success in mining finance. Her appointment will allow us to aggressively focus on executing on our growth strategy and continuing to increase revenue generation."

Nora has over 15 years of experience negotiating, structuring and managing large-scale mining transactions in both legal and commercial roles. Prior to joining the Company, Nora was a Managing Director with Nebari Partners, a private capital firm focused on the mining industry, and was previously General Counsel of a multi-national mining services company and partner with several international and boutique law firms. Throughout her career, Nora has closed over US\$40B in transactions in the mining, metals and energy sectors and has led a number of notable global mining transactions. Ms. Pincus received a Bachelor's degree from the University of Utah and a Juris Doctorate from the University of Denver.

In addition, in connection with her appointment, the Company has granted 500,000 incentive stock options (the "Options") to Ms. Pincus. The Options are exercisable at a price of \$0.35 for a 5-year term, expiring January 15, 2029. One-third of the Options vest immediately, with a further one-third vesting after twelve months and the balance vesting after twenty-four months. The granting of the Options is subject to regulatory acceptance of the TSX Venture Exchange.

The information contained herein includes "forward-looking statements" and "forward looking information" as defined under applicable Canadian securities laws ("forward-looking statements"). Forward-looking statements and information can generally be identified by the use of terms such as "may", "will", "should",

"expect", "intend", "estimate", "continue", "believe", "plans", "anticipate" or similar terms.

Forward-looking information and statements include, but are not limited to, statements with respect to the activities, events or developments that [Empress Royalty Corp.](#) ("Empress" or the "Company") expects or anticipates will or may occur in the future, including those regarding future growth and ability to create new streams or royalties, the development and focus of the Company, its acquisition strategy, the plans and expectations of the operators of the projects underlying its interests, including the proposed advancement and expansion of such projects; the results of exploration, development and production activities of the operators of such projects; and the Company's expectations regarding future revenues.

Forward-looking information and statements are based on the then current expectations, beliefs, assumptions, estimates and forecasts about Empress's business and the industry and markets in which it operates. Forward-looking information and statements are made based upon numerous assumptions and although the assumptions made by the Company in providing forward-looking information and statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate. Forward-looking information and statements also involve known and unknown risks and uncertainties and other factors, which may cause actual results, performances and achievements of Empress to differ materially from any projections of results, performances and achievements of Empress including, without limitation, any inability of the operators of the properties underlying the Company's royalty and stream interests to execute proposed plans for such properties or to achieve planned development and production estimates and goals, risks related to the operators of the projects in which the Company holds interests, including the successful continuation of operations at such projects by those operators, risks related to exploration, development, permitting, infrastructure, operating or technical difficulties on any such projects, risks related to international operations, government relations and environmental regulation, uncertainty relating to the availability and costs of financing needed in the future and the Company's ability to carry out its growth plans as well as the impact of the COVID-19 pandemic and other related risks and uncertainties. For a discussion of important factors which could cause actual results to differ from forward-looking statements, refer to the annual information form of Empress for the year ended December 31, 2022 and its other publicly filed documents under its profile at www.sedarplus.ca. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and statements, there may be other factors that cause results not to be as anticipated, estimated, or intended. There can be no assurance that forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking information and statements. The Company undertakes no obligation to update or reissue forward-looking information as a result of new information or events except as required by applicable securities laws. Disclosure relating to properties in which Empress holds royalty or stream interests is based on information publicly disclosed by the owners or operators of such properties. The Company generally has limited or no access to the properties underlying its interests and is largely dependent on the disclosure of the operators of its interests and other publicly available information. The Company generally has limited or no ability to verify such information. Although the Company does not have any knowledge that such information may not be accurate, there can be no assurance that such third-party information is complete or accurate. In addition, certain information publicly reported by operators may relate to a larger property than the area covered by the Company's interest, which often may only apply to a portion of the overall project area or applicable mineral resources or reserves.
