

Solis Announces Amendment to Investor Awareness Services Contract With StocksDigital

03.02.2024 | [Newsfile](#)

West Leederville, February 3, 2024 - [Solis Minerals Ltd.](#) (ASX: SLM) ("Solis" or the "Company") is pleased to provide further details of the contract between Solis and S3 Consortium Pty Ltd, trading as StocksDigital (StocksDigital), in which StocksDigital will provide the Company with marketing and investor communications services (StocksDigital Mandate), as announced to the ASX on 5 July 2023 (July Announcement).

A key term of the StocksDigital Mandate was the issue of 2,500,000 Shares (StocksDigital Shares) to StocksDigital in consideration for the services to be provided by StocksDigital. As set out in the July Announcement, the policies of the TSX-V prohibit the issue of the StocksDigital Shares as compensation in the nature of what was agreed between the parties under the StocksDigital Mandate.

The Company and StocksDigital have agreed to vary the terms of the StocksDigital Mandate whereby the Company will not issue the StocksDigital Shares and instead compensate StocksDigital for its services in accordance with the following:

1. issue 1,750,000 unquoted options to StocksDigital subject to the terms and conditions set out in Schedule 1 to this announcement (StocksDigital Options); and
2. pay A\$307,500 to StocksDigital.

Other than the abovementioned amendment to the consideration, the StocksDigital Mandate otherwise continues in full force and effect.

An Appendix 3G for the StocksDigital Options will be issued separately to this announcement.

SCHEDULE 1 - SUMMARY OF KEY TERMS AND CONDITIONS OF STOCKSDIGITAL OPTIONS

The key terms and conditions of the StocksDigital Options (Options) are as follows:

1. (Entitlement): Subject to the terms and conditions set out below, each Option entitles the holder on conversion to the issue of one fully paid common share in the capital of the Company (Share). Provided that a reference to a "Share" may also be construed as a reference to a CHESS Depository Interest (CDI), with each such CDI representing one Share.
2. (Exercise Price): The Options have an exercise price of A\$0.09 each (Exercise Price).
3. (Expiry Date): The Options expire at 5:00pm (Perth time) on 31 December 2025 (Expiry Date). An Option not exercised before the Expiry Date will automatically expire on the Expiry Date.
4. (Vesting): The Options granted will vest on a quarterly basis over the 12-month period following the date of issue of the Options.
5. (Exercise Period): Each vested Options is exercisable at any time and from time to time on or prior to the Expiry Date.
6. (Voluntary Escrow): Shares acquired upon the exercise of Options may not be traded (whether on ASX or any other securities exchange) and will be subject to a holding lock until 30 May 2025.

About Solis Minerals Ltd.

Solis Minerals is an emerging lithium explorer focusing on Latin American critical minerals.

The Company owns a 100% interest or option to acquire 100% interest in the Borborema Lithium Project in NE Brazil, covering 26,100ha.

In addition, Solis also holds a 100% interest in 35,700ha of combined licences and applications of highly prospective IOCG (iron oxide copper/gold) and porphyry copper projects in southwestern Peru within the country's prolific coastal copper belt - a source of nearly half of Peru's copper production.
