07.02.2024 | Newsfile

Vancouver, Feb. 7, 2024 - <u>Badlands Resources Inc.</u> (TSXV: BLDS) (OTCQB: BDLNF) (FSE: B7Q) ("Badlands" or the "Company") announces that it has arranged a private placement of up to 4,000,000 units (the "Units") at an issue price of \$0.50 per Unit for total gross proceeds of up to \$2,000,000 (the "Placement"). Each Unit will consist of one common share of the Company (a "Share") and one non-transferable share purchase warrant (a "Warrant"), with each Warrant exercisable to acquire one additional Share at a price of \$0.75 for a period of two years from the date of issue, provided that, after the expiry of all regulatory hold periods on the Warrants, if the Company's Shares trade on the TSX Venture Exchange (the "TSXV") at a price of \$1.25 or more for five consecutive trading days at any time (the "Acceleration Event"), then the Warrants will expire, subject to the Company's discretion, on the earlier of the expiry date and 4:30 p.m. (Vancouver time) on the date that is 30 calendar days after the date that the Company provides notice to the holders of the Warrants that the Acceleration Event has occurred.

All securities issued under the Placement will be subject to a hold period expiring four months and one day from the date of issue.

Finders' fees may be payable on all or a portion of the Placement in accordance with the policies of the TSXV.

The Company intends to use the net proceeds of the Placement to extinguish debt, for exploration work on the Company's exploration properties and for general working capital.

Completion of the Placement is subject to, among other things, the approval of the TSXV. The Company anticipates closing of the Placement (in one or more tranches) as soon as practicable subject to receipt of all necessary regulatory approvals.
