

# Newmont Corporation Joins the International Copper Association

28.02.2024 | [CNW](#)

WASHINGTON, Feb. 28, 2024 - The International Copper Association (ICA) is pleased to announce the addition of its newest member, [Newmont Corp.](#), following an election to membership by the ICA Board of Representatives in December 2023.

Newmont, headquartered in Denver, Colorado, is the world's leading gold company and a producer of copper, zinc, lead and silver. The company's world-class portfolio of assets, prospects and talent is anchored in favorable mining jurisdictions in Africa, Australia, Latin America & Caribbean, North America, and Papua New Guinea. With more than 100 years of history, Newmont is committed to creating value and improving lives through sustainable and responsible mining. The addition of Newmont to ICA comes at a timely moment for the copper industry, as ICA and its members work to provide the building blocks of a modern, sustainable future in alignment with the Paris Agreement goals.

As Peter Toth, Executive Vice President and Chief Development Officer, Newmont, stated, "We look forward to engaging with the ICA on their efforts to support safe and sustainable production of copper as an essential metal in a way that protects the environment, engages local stakeholders and safeguards the health and well-being of our employees. We are committed to positively contributing to the UN Sustainable Development Goals, and look forward to bringing our values of safety, integrity, sustainability, inclusion and responsibility to our partnership with ICA and our growing copper operations."

ICA's President Juan Ignacio Díaz added, "We are very happy to welcome Newmont to ICA at this important juncture for global sustainable development. The copper industry plays a critical role in circular and energy-efficient solutions for electrification, renewable energy and green infrastructure. Newmont's values and commitment to the environment make them a strong representative of the copper mining industry."

"As the leading voice of the copper industry, the International Copper Association has a long history of supporting its membership to promote the indispensable role of copper in modern society," noted Shehzad Bharmal, ICA Chairman of the Board and Senior Vice President, Base Metals at [Teck Resources Ltd.](#) "We are excited to have Newmont join the association, further strengthening partnership within the industry toward our shared goals."
