

Crescent Energy Company Announces Secondary Public Offering of Common Stock and Intention to Repurchase OpCo Units

06.03.2024 | [Business Wire](#)

[Crescent Energy Company](#) ("Crescent" or the "Company") (NYSE: CRGY) today announced the commencement of an underwritten public offering of 12,000,000 shares of its Class A common stock, par value \$0.0001 per share ("common stock"). The common stock is being offered by Independence Energy Aggregator L.P. (the "Selling Stockholder"), the direct owner of the shares being offered and the entity through which certain unaffiliated limited partners and affiliated entities hold their interests in the Company and its subsidiary Crescent Energy OpCo LLC. The Company will not sell any shares of its common stock in the offering and will not receive any proceeds therefrom. The Selling Stockholder expects to grant the underwriters a 30-day option to purchase up to an additional 1,800,000 shares of common stock at the public offering price, less the underwriting discounts and commissions.

Wells Fargo Securities, LLC, Evercore Group L.L.C. and Raymond James & Associates, Inc. are serving as joint book-running managers for the offering. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Concurrently with the closing of the offering, the Company intends to purchase from the Selling Stockholder an aggregate of 2,000,000 units of Crescent Energy OpCo LLC ("OpCo Units") at a price per share equal to the price per share at which the underwriters purchase shares of common stock in the offering and cancel a corresponding number of shares of the Company's Class B common stock, par value \$0.0001 per share ("Class B common stock") (the "OpCo Unit Purchase"). If the underwriters exercise their option to purchase additional shares from the Selling Stockholder in the offering, the Company intends to purchase a number of additional OpCo Units from the Selling Stockholders and to cancel a corresponding number of shares of Class B common stock held by Selling Stockholder in equal proportion to the number of additional shares of common stock sold pursuant to the underwriters' option. The offering of common stock is not conditioned upon the completion of the OpCo Unit Purchase, but the OpCo Unit Purchase is conditioned upon the completion of the offering.

The proposed offering will be made only by means of a prospectus and prospectus supplement. Copies of the preliminary prospectus supplement and accompanying base prospectus relating to the offering and final prospectus supplement, when available, may be obtained from: Wells Fargo Securities, LLC, 90 South 7th Street, 5th Floor, Minneapolis, MN 55402, at 800-645-3751 (option #5) or email a request to WFScustomerservice@wellsfargo.com, or Evercore Group L.L.C., Attention: Equity Capital Markets, 55 East 52nd Street, 35th Floor, New York, New York 10055, by telephone at 1-888-474-0200 or by email at ecm.prospectus@evercore.com, or Raymond James & Associates, Inc., 880 Carillon Parkway, St. Petersburg, FL, 33716, by telephone at 800-248-8863 or by email at prospectus@raymondjames.com, or by accessing the SEC's website at www.sec.gov.

The offering is being conducted pursuant to a registration statement, filed with the SEC on March 6, 2024 that became automatically effective upon filing, and corresponding prospectus included therein. A preliminary prospectus supplement thereto will be filed with the SEC. This press release shall not constitute an offer to sell or the solicitation of an offer to buy the shares of common stock or any other securities, nor shall there be any sale of such shares of common stock or any other securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.
