

# 79 Resources Ltd. Proposes Corporate Name Change

14.03.2024 | [The Newswire](#)

[79 Resources Ltd.](#) (CSE: SNR) ("79 Resources" or the "Corporation" or the "Issuer") reports that it intends to seek a corporate name change with a view to reflect ongoing business opportunities.

Subject to certain approvals, the Corporation plans to pursue a name change to "Quebec Lithium Inc." (the "Name Change"), or such other name duly selected by the Corporation. In order to successfully do so, the Corporation must file a request with and obtain approval from its listed exchange, being the Canadian Securities Exchange (the "CSE").

Issuer updates related to the same, including as may relate to its approval request to the CSE, shall be provided to shareholders as available and applicable.

While the Corporation has received written support from its majority shareholder endorsing the proposed name change there is no assurance that the Issuer will be able to complete the Name Change on terms amenable to the Issuer, if at all.

The Issuer previously disclosed an anticipated portfolio addition of a lithium project in Quebec (see news release dated March 13, 2024).
