

Pacific Ridge Closes First Tranche of Oversubscribed Financing; Raises More than \$1.675 Million

25.03.2024 | [Newsfile](#)

Vancouver, March 25, 2024 - [Pacific Ridge Exploration Ltd.](#) (TSXV: PEX) (OTCQB: PEXZF) (FSE: PQWN) ("Pacific Ridge" or the "Company") is pleased to announce that it has closed the first tranche of its oversubscribed non-brokered private placement ("Financing") raising a total of \$1,675,419.51.

The Company issued 7,469,679 flow-through units ("FT Units") at a price of \$0.095 per FT Unit for gross proceeds of \$709,619.51, which includes an oversubscription of 1,159,139 FT Units (\$110,118.12). Pacific Ridge also issued 12,072,500 non-flow-through units ("NFT Units") at a price of \$0.08 per NFT Unit for gross proceeds of \$965,800 in a first tranche of the non-flow-through portion of the Financing. The Company expects to close the second and final tranche (1,058,750 NFT Units) of the Financing shortly.

Pacific Ridge intends to use the proceeds raised from this Financing for general working capital and for exploration at Pacific Ridge's flagship Kliyul copper-gold project as well as for exploration at the Company's other copper-gold porphyry projects in British Columbia.

Each FT Unit is comprised of one common share of the Company issued as a "flow-through share" within the meaning of the Income Tax Act (Canada) (each, a "FT Share") and one common share purchase warrant ("Warrant"). Each NFT Unit is comprised of one common share of the Company and one Warrant. Each Warrant is exercisable to purchase one additional non-flow-through common share at an exercise price of \$0.12 any time on or before March 22, 2026. The securities are subject to a hold period ending on July 23, 2024. The Company paid finder's fees totalling \$66,066.12 in connection with the Financing. The Financing and payment of finder's fees are subject to TSX Venture Exchange acceptance.

Proceeds from the sale of FT Shares will be used to incur "Canadian exploration expenses" as defined in subsection 66.1(6) of the Income Tax Act (Canada) and "flow through mining expenditures" as defined in subsection 127(9) of the Income Tax Act (Canada). Such proceeds will be renounced to the subscribers with an effective date not later than December 31, 2024, in the aggregate amount of not less than the total amount of gross proceeds raised from the issue of FT Shares.

An insider of the Company subscribed for 120,000 FT Units and, through a company controlled by him, 250,000 NFT Units. Such participation is considered to be a "related party transaction" as defined under Multilateral Instrument 61-101 ("MI 61-101"). The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Financing by the insider does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Pacific Ridge

Our goal is to become British Columbia's leading copper-gold exploration company. Pacific Ridge's flagship asset is its 100% owned Kliyul copper-gold project, located in the Quesnel Terrane close to existing infrastructure. In addition to Kliyul, the Company's project portfolio includes the RDP copper-gold project, the

Chuchi copper-gold project, the Onjo copper-gold project, and the Redton copper-gold project, all located in British Columbia. Pacific Ridge would like to acknowledge that its B.C. projects are located in the traditional, ancestral and unceded territories of the Gitxsan Nation, McLeod Lake Indian Band, Nak'azdli Whut'en, Takla Nation, and Tsay Keh Dene Nation.

Forward-Looking Information: This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, which address exploration drilling and other activities and events or developments that [Pacific Ridge Exploration Ltd.](#) ("Pacific Ridge") expects to occur, are forward-looking statements. Forward-looking statements in this news release include closing the second and final tranche of 1,058,750 NFT Units. Although Pacific Ridge believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploration successes, and continued availability of capital and financing and general economic, market or business conditions. These statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, that one of the options will be exercised, the ability of Pacific Ridge and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Pacific Ridge's proposed programs on reasonable terms, and the ability of third party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Pacific Ridge does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
