

Palisades Announces New Found Reports Positive Metallurgical Test Results At Queensway Project

03.04.2024 | [CNW](#)

VANCOUVER, April 3, 2024 - [Palisades Goldcorp Ltd.](#) (TSXV: PALI) ("Palisades" or the "Company") is pleased to announce that New Found Gold Corp. ("New Found"), a significant equity investee of Palisades within the meaning of applicable Canadian securities legislation, has reported test results demonstrating 90% to 96% gold extraction from its 2023 Phase I Metallurgical Testing Program conducted on drill core samples collected as part of the exploration program at New Found's 100%-owned Queensway project in Newfoundland and Labrador.

For further details regarding the metallurgical testing program, including highlights, weighted average gold extraction values and scope of work, please see New Found's news release dated April 3, 2024, accessible on New Found's website (www.newfoundgold.ca) and under New Found's profile on SEDAR+ at www.sedarplus.ca.

About Palisades Goldcorp Ltd.

[Palisades Goldcorp Ltd.](#) is a resource investment company focused on junior companies in the resource and mining sector. The Company seeks to acquire equity participation in pre-initial public offering and early-stage public resource companies with undeveloped or undervalued high quality projects. The Company focuses on companies that are in need of financial resources to realize their full potential, are undervalued in capital markets, and/or operate in jurisdictions with low to moderate local political risk. The Company expects to continue to make investments, pursuant to its dual investment strategy, to achieve broad sector exposure with upside in the event of appreciation in mineral commodities prices, while also providing the potential to realize appreciation in net asset values as a result of discoveries by issuers in which the Company holds larger positions. The Company is listed on the TSX Venture Exchange under the stock symbol "PALI". Palisades holds a diverse portfolio of securities and derivatives, among which it holds a 24.65% interest in [New Found Gold Corp.](#) (TSX-V: NFG).
