The Company expects to close the second and final tranche of the Financing on or around April 19, 2024.

Due to additional interest in the Financing, the Company announces that it has initiated a new financing for gross proceeds of up to C\$1,500,000 (the "Offering").

The Offering

Each Debenture Unit consists of \$1,000 in principal of convertible debentures (the "Debentures") and 3,030 common share purchase warrants (the "Warrants") of the Company. Each Warrant will be exercisable to acquire one common share of the Company (a "Warrant Share") for a period of three years (3) from the date of issuance at an exercise price of \$0.25 per Warrant Share. The Debentures will bear interest at a rate of 7.5% per annum from the date of issuance (the "Issue Date") until the Maturity Date (in each case calculated on the basis of a 365-day year; 366 days in a leap year) calculated and payable semi-annually in arrears and will have a three-year (3) term (the "Term"). During the Term, the Company will have the option to (i) pay interest payments in cash or (ii) make payments-in-kind by way of issuance of common shares of the Company (the "Common Shares") at a price equal to the market price of the Common Shares at the time the accrued interest becomes payable.

As security for the Debentures, the Company will grant the holders a security interest in the gold contained in an ore stockpile located on the Company's Golden Trove property. In particular, an interest in 0.333 ounces of contained gold for each \$1,000 principal amount Debenture.

At any time during the Term, each holder of Debentures may elect to convert any portion of the principal amount of the Debentures into Common Shares at a conversion price equal to \$0.185 per Common Share (the "Conversion Price").

Finders' fees consisting of a cash commission of 6% and 6% non-transferrable finders' warrants may be paid to certain finders. Some insiders of the Company intend to participate in the Offering.

The Company intends to use the proceeds raised from the Offering for the exploration and advancement of the Company's West Cache Gold Project in Timmins, Ontario and for general working capital purposes.

The Offering may be completed in more than one tranche up to a maximum aggregate amount of C\$1,500,000. The Debentures, Warrants and underlying Common Shares, will be subject to a hold period of four months and one day in accordance with applicable securities laws. The Offering is subject to the final acceptance of the TSX Venture Exchange.
