

Nickelex Resource Corporation Provides Corporate Update

02.05.2024 | [Newsfile](#)

[Nickelex Resource Corp.](#) (TSXV: NICK) ("Nickelex" or the "Company") announces the appointment of Matt Anderson, CPA, CA, as Chief Financial Officer (CFO) of the Company effective May 1, 2024. Matt is Managing Director of Malaspina Consultants Inc. where he has worked since July 2009 and serves as CFO for several public companies. Mr. Anderson completed his Bachelor of Commerce degree at McGill University in Montreal. He earned his CPA, CA accreditation in 2008 after which he began providing accounting and CFO services to junior public companies primarily involved in the natural resource sector. He has extensive experience in financial and accounting related functions. Nickelex thanks Graham Thatcher for his service to the Company as CFO over many years and wishes him well in his future endeavors.

The Company is also pleased to announce the appointment of Jay Oness as Vice President, Corporate Development. Mr. Oness has over 25 years of corporate communications, strategic marketing and corporate development experience and has been a director and officer of numerous publicly traded North American resource companies. Mr. Oness will be responsible for general corporate development, and supporting management to evaluate and execute new investment opportunities. He is currently serving as the VP of Corporate Development at Southern Silver Exploration, Equity Metals Corporation and Malaspina-Manex Group where he is responsible for overseeing, implementing, and managing various corporate functions and shareholder programs for public and private companies.

About Nickelex

Nickelex is a Malaspina-Manex Group Company. The Group provides expertise in exploration, administration, and corporate development services for Nickelex's operations:

Arlington: Nickelex has entered into an option agreement to acquire a 100% interest in the Arlington property, Greenwood MD, BC. This acquisition is subject to TSX Venture Exchange acceptance.

Swift Katie gold/copper property is well located near Salmo, British Columbia in an area that has historically hosted several important mining districts and is underlain by rocks favourable for the discovery of both copper-gold porphyry deposits and high-grade gold quartz veins. Exploration to date has identified three separate Cu-Au deposits over an 1800 metre cumulative strike-length, and two prominent gold targets within a 2500-metre-long alteration zone which transects the southern part of the property. It is 100% owned. The Company has now received a permit allowing exploration by diamond drilling of up to 17 exploration sites in 2024.

Strong Project - Thompson, Manitoba nickel properties: The company holds an option to acquire interests in the Strong Project in the North Thompson Nickel Belt. The Agreement is subject to completion of certain conditions including receipt of Exchange approval. The Company has agreed with the optionor to hold completion of the agreement conditions in abeyance pending satisfaction of certain conditions precedent.

Pilar Gold Inc. and Laiva Gold Inc.: operations in Brazil and Finland. Nickelex participated in the funding, acquisition and development of several gold properties and mines in Brazil, ultimately selling its interests in such Brazilian properties to Pilar Gold in exchange for 4 million shares of Pilar Gold with an ascribed book value of C\$2,400,000. Upon the formation of Laiva Gold Inc. by Pilar Gold to acquire a mine and mill in Finland, Nickelex received 500,000 shares of Laiva Gold at a current valuation of C\$400,000. Pilar Gold operates the Pilar gold mine in Brazil and plans to restart the high-grade Sertão mine in 2024. Laiva Gold owns the Laiva gold mine and mill in Finland and plans to restart operations this year. Both Pilar Gold and Laiva Gold intend to list its shares on a Canadian Stock Exchange in 2024.

John R. Kerr, P. Eng., is the President of [Nickelex Resource Corp.](#) and a Qualified Person as defined by

National Instrument 43-101. He has read and approves the technical content of this release.
