

# Madison Metals Provides Kenora Project Update and Issues Stock Options

09.05.2024 | [GlobeNewswire](#)

TORONTO, May 09, 2024 - [Madison Metals Inc.](#) ("Madison" or the "Company") (CSE: GREN) (OTCQB: MMTLF) (FSE: 4EF0) announces an amendment to its agreement with Great Northern Energy Inc. on Madison's Kenora Uranium Project. Under the revised terms, [Madison Metals](#) has agreed to extend the first-year expenditure commitments into the second year of the agreement. This extension requires Great Northern Energy to invest CDN \$600,000 in exploration activities by May 3, 2025, and an additional CDN \$300,000 by May 3, 2026. Successfully meeting these commitments will enable Great Northern Energy to earn a 60% interest in the project.

Once Great Northern Energy satisfies the agreed earn-in terms, [Madison Metals](#) will retain a 40% carried interest, thereby holding a significant stake without any further funding obligations on the project.

## Stock Options

[Madison Metals](#) also announces a stock option grant for 1,200,000 common shares to its board of directors, management, and consultants of the Company. These options will vest immediately and are exercisable at a price of CDN \$0.29 per share for a period of five years following the grant date.

### Forward-looking Statements

*This release contains "forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements include, but are not limited to statements regarding the proposed future exploration and drilling by Madison.*

*Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "schedule", "estimates", "forecasts", "intends", "continue", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "will", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are made based upon certain assumptions and other important facts that, if untrue, could cause the actual results, performance or achievements of the Company to be materially different from future results, performances or achievements expressed or implied by such statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future.*

*Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements include, amongst others: the global economic climate; competition; labour shortages, and unanticipated expenses of the Company. Forward-looking statements are subject to known and unknown risks, uncertainties and other important factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: failure of the Company or its contractual partners to fulfil their respective obligations under agreements; unanticipated delays in drilling as described in this press release; the impact the COVID 19 pandemic may have on the Company's activities and the economy in general; the impact of the recovery post COVID 19 pandemic and its impact on precious metals; receipt of necessary approvals; general business, economic, competitive, political and social uncertainties; accidents, labour disputes and shortages; environmental risks; and other risks of the mining industry.*

*Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.*

*You can find further information with respect to these and other risks in filings made with the Canadian securities regulatory authorities that are available on the Company's SEDAR+ profile page at [www.sedarplus.ca](http://www.sedarplus.ca). The Company disclaims any obligation to update or revise these forward-looking statements, except as required by applicable law.*
