Ulaanbaatar, May 21, 2024 - [Aranjin Resources Ltd.](#) (TSXV: ARJN) (the "Company" or "Aranjin Resources") announces that it intends to seek approval from its shareholders at the Company's upcoming annual general and special shareholder meeting for the proposed consolidation all of the issued and outstanding Common Shares of the Company on the basis of up to 40 pre-consolidation Common Shares for each 1 post-consolidation Common Share (the "Consolidation").

The annual general and special meeting of Shareholders (the "Meeting") will take place at 10:00 am (ULAT) on June 13, 2024 at the Shangri-La Hotel, Olympic Street 19A, Sukhbaatar District-1, Ulaanbaatar 14241, Mongolia.

The board of directors of the Company has concluded that the Consolidation would be in the best interests of the Company as it is required in connection with the Company's proposed listing on the Australian Stock Exchange and may improve the Company's options in obtaining additional financing.

Under the Consolidation, for every forty (40) Common Shares currently held by a shareholder (or such lesser number as may be applicable in the event that directors determine to employ a Consolidation ratio that is less than on a forty to one (40:1) basis), each shareholder will, as a result of the Consolidation, receive one Common Share after the Consolidation takes effect. There are currently 442,593,444 Common Shares issued and outstanding. If the Consolidation is approved and the directors effect the Consolidation on a 40:1 basis, there will be an aggregate of 11,064,836 Common Shares issued and outstanding in the share capital of the Company, subject to rounding.

Notwithstanding the foregoing, the board may determine not to implement the Consolidation at any time after the Meeting and after receipt of necessary regulatory approvals, but prior to effecting the required amendment to the Company's articles, without further action on the part of the shareholders. The Consolidation remains subject to approval by the TSX Venture Exchange.

The materials for the Meeting, including the Management Information Circular, which sets out in detail the annual and special items proposed for shareholder approval at the Meeting, have been distributed to shareholders and can also be found at the Company's profile on www.sedarplus.ca or at the Company's website <https://aranjinresources.com/investors/agsm>.
