

# The 29th Annual EnerCom Denver - The Energy Investment Conference to Host The Energy Transition and Emerging Technology Session Featuring Start-Up Energy and Technology Companies

24.06.2024 | [PR Newswire](#)

EnerCom is accepting applications from start-up companies focused on innovation in alternative energy, advanced oil and gas technology, environmental sustainability and carbon solutions to participate in The Energy Transition and Emerging Technology Session

Registration for institutional investors, portfolio managers, financial analysts, CIOs, and others in the investment community is free

DENVER, June 24, 2024 - EnerCom, Inc. is pleased to announce that the upcoming EnerCom Denver - The Energy Investment Conference will once again include The Energy Transition and Emerging Technology Session featuring quick-pitch investment pitches from promising start-up energy and technology companies focused on innovation and operations in alternative energy, advanced oil and gas technology, environmental sustainability and carbon solutions. The Energy Transition and Emerging Technology Session provides invited start-up companies a platform to give a 15-minute presentation and participate in one-on-one meetings as requested by investors.

Institutional investors, portfolio managers, financial analysts, CIOs, and other investment community and industry professionals are encouraged to register now for EnerCom Denver - The Energy Investment Conference, taking place August 18-21, 2024, at the Westin Denver Downtown. Registering for the conference for qualified investment professionals is free. The four-day conference allows institutional investors unparalleled access and networking opportunities, and one-on-one meetings with company management teams. Meetings are limited to buy-side principals, portfolio managers, CIOs, and securities analysts.

EnerCom is currently accepting applications from start-up companies focused on innovation in alternative energy, advanced oil and gas technology, environmental sustainability, and carbon solutions to present at The Energy Transition and Emerging Technology Session at EnerCom Denver. Interested companies can contact Larry Busnardo at [lbusnardo@enercominc.com](mailto:lbusnardo@enercominc.com) for complete application details; space is limited.

A complete list of companies participating in the conference and schedule of events can be found on the conference website [EnerCom Denver - The Energy Investment Conference](#).

Conference Details: EnerCom Denver - The Energy Investment Conference offers investment professionals a unique opportunity to network and listen to senior management teams from leading companies across the energy value chain update investors on their operational and financial strategies and learn how they create value for stakeholders.

Conference Dates: August 18-21, 2024. EnerCom will host its annual Charity Golf Tournament on Sunday, August 18<sup>th</sup> at the scenic Arrowhead Golf Club in Littleton, Colorado. The EnerCom Denver Golf Tournament -- a fundraiser for IN! Pathways to Inclusive Higher Education -- requires a \$150 donation to participate. The Conference Global Sponsor Netherland, Sewell & Associates, Inc. (NSAI) sponsors the tournament.

Formal presentations and meetings will be held Monday, August 19<sup>th</sup> through Wednesday, August 21<sup>st</sup>.

Venue: Westin Denver Downtown. We highly encourage attendees to book hotel rooms under the EnerCom group block, as space is limited.

Who Attends the Conference: Institutional, private equity, hedge fund investors, family offices, research analysts, retail brokers, trust officers, high net worth investors, investment and commercial bankers, and energy industry professionals gather in Denver throughout the conference.

Qualified investment professionals and oil and gas company executives may register for the event at no cost through the conference website. Other conference registration classifications are available for a fee.

**Conference Format and Details:** The EnerCom Denver conference follows EnerCom's familiar 25-minute presentation format, followed by 50-minute Q&A opportunities in separate breakout rooms, one-on-one meetings, and multiple networking opportunities. In addition to in-person access to all company presentations, panel discussions, and keynote speakers, conference registration allows investors and management teams to meet formally and informally over cocktails, breakfast, and lunch.

**Presenter Inquiries:** Companies interested in presenting at EnerCom Denver can contact Larry Busnardo at [lbusnardo@enercominc.com](mailto:lbusnardo@enercominc.com).

**Investor One-on-One Meetings:** Qualified investors can request one-on-one meetings with company management teams through the conference website. EnerCom will announce when one-on-one meeting requests for investor scheduling are available. Meetings are limited to institutional investors, buy-side principals, portfolio managers, CIOs, and securities analysts. EnerCom can work in advance with presenting company management teams to arrange one-on-one meetings with the attending institutional investors and research analysts at the conference venue. Please contact Larry Busnardo at [lbusnardo@enercominc.com](mailto:lbusnardo@enercominc.com) with questions regarding one-on-one meetings.

**Sponsorship Opportunities:** Please contact Blanca Andrus at [bandrus@enercominc.com](mailto:bandrus@enercominc.com) or (303) 296.8834 x246.

#### EnerCom Denver Sponsors Include:

##### Netherland, Sewell & Associates, Inc. (NSAI)

Netherland, Sewell & Associates, Inc. (NSAI) was founded in 1961 to provide the highest quality engineering and geological consulting to the petroleum industry. Today they are recognized as the worldwide leader of petroleum property analysis to industry and financial organizations and government agencies. With offices in Dallas and Houston, NSAI provides a complete range of geological, geophysical, petrophysical, and engineering services and has the technical experience and ability to perform these services in any of the onshore and offshore oil and gas producing areas of the world. They provide reserves reports and audits, acquisition and divestiture evaluations, simulation studies, exploration resources assessments, equity determinations, and management and advisory services. [netherlandsewell.com](http://netherlandsewell.com)

##### Mobius Risk Group

Mobius Risk Group is an independent commodity and physical energy risk advisory firm. Founded in 2002, Mobius provides strategic advisory services including financial, physical, and commodity risk management and valuation, carbon strategy development, and regulated energy oversight for producers, consumers, distributors and capital providers backed by its proprietary C/ETRM, RiskNet. [mobiusriskgroup.com](http://mobiusriskgroup.com)

##### Haynes and Boone, LLP

Haynes Boone is an energy-focused corporate law firm that provides a full spectrum of legal services and solutions to clients across the energy industry, including the upstream, midstream and downstream sectors as well as power and renewables. Our team of more than 100 energy lawyers and landmen has been helping operators, lenders, and private equity firms with some of their most complex and significant transactions and disputes in recent years. The firm's nearly 700 lawyers practice across 19 global offices located in California, Colorado, Illinois, New York, North Carolina, Texas, Virginia, Washington, D.C., London, Mexico City and Shanghai. The 2023 Chambers USA Legal Guide ranked 31 different firm practice areas, and in 2024, Haynes Boone became the first Am Law 100 firm to ever earn a Gold-level Bell Seal from Mental Health America. The U.S. News & World Report and Best Lawyers "Best Law Firms" 2023 survey ranked Haynes Boone in National Tier 1 in Oil & Gas Law. [haynesboone.com](https://haynesboone.com)
