* Excluding 56,283,901 shares held by Insiders

About Bravo Mining Corp.

Bravo is a Canadian and Brazil-based mineral exploration and development company focused on advancing its Luanga PGM+Au+Ni Project in the world-class Carajás Mineral Province of Brazil.

The Luanga Project is situated on mature freehold farming land and benefits from being in a location close to operating mines, with excellent access and proximity to existing infrastructure, including road, rail, and clean renewable hydro grid power. A fully funded 63,000m infill, step out and exploration drilling program is well advanced, with 19,000m of drilling and 11,000m of trenching scheduled to be completed in 2024. Bravo's current Environmental, Social and Governance activities includes replanting high-value trees in the project area, hiring and contracting locally, and ensuring protection of the environment during its exploration activities.
