

# Silver North Resources Ltd. Announces Closing of Final Tranche of Private Placement

18.07.2024 | [The Newswire](#)

[Silver North Resources Ltd.](#) (TSX-V: SNAG, OTCQB: TARSF) "Silver North" or the "Company") is pleased to announce that it has closed the third and final tranche (the "Final Tranche") of its non-brokered private placement (the "Offering") for gross proceeds of \$89,000. Further to the Company's news releases dated June 21, 2024 and June 28, 2024, the Company has raised aggregate gross proceeds of \$827,380 in the Offering.

In connection with the closing of the Final Tranche the Company issued 556,250 non-flow-through units of the Company (the "NFT Units") at a price of \$0.16 per NFT Unit for gross proceeds of \$89,000. Each NFT Unit is comprised of one common share in the capital of the Company (a "Share") and one common share purchase warrant (a "Warrant") of the Company. Each Warrant entitles the holder thereof to purchase one Share (a "Warrant Share") until July 18, 2028 at an exercise price of \$0.35 per Warrant Share.

The Company intends to use the proceeds from the Final Tranche for general corporate and working capital purposes.

In connection with the closing of the Final Tranche the Company issued 10,937 finder's warrants (the "Finder's Warrants") and paid a cash commission of \$1,750 to Canaccord Genuity Corp. Each Finder's Warrant entitles the holder thereof to purchase one Share (a "Finder's Warrant Share") at a price of \$0.16 per Finder's Warrant Share until July 18, 2025. The Finder's Warrants issued in connection with the Final Tranche are subject to a statutory hold period and may not be traded until November 19, 2024, except as permitted by applicable securities legislation.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), a portion of the NFT Units, and the charity flow-through units ("CFT Units" and together with the NFT Units, the "Offered Securities") were offered for sale to purchasers resident in Canada and/or other qualifying jurisdictions pursuant to the listed issuer financing exemption under Part 5A of NI 45-106 (the "Listed Issuer Financing Exemption"). Because a portion of the Offering was completed pursuant to the Listed Issuer Financing Exemption, that portion of securities issuable from the sale of the Offered Securities to Canadian resident subscribers in the Offering are not subject to a hold period pursuant to applicable Canadian securities laws. 93,750 NFT Units sold in the Final Tranche were issued pursuant to certain private placement exemptions under NI 45-106. Those NFT Units are subject to a statutory hold period of four months and one day in accordance with applicable Canadian securities laws. There is an offering document related to the Offering that can be accessed under the Company's profile at [www.sedarplus.ca](http://www.sedarplus.ca) and on the Company's website at [www.silvernorthres.com](http://www.silvernorthres.com). Prospective investors should read this offering document before making an investment decision.
