

Borr Drilling Limited - Announces Pricing of Additional Offering of 10.000% Senior Secured Notes due 2028 For Proceeds of \$150 million

09.08.2024 | [PR Newswire](#)

HAMILTON, Aug. 9, 2024 - [Borr Drilling Ltd.](#) (the "Company") (NYSE and OSE: BORR) announced today that its wholly-owned subsidiary Borr IHC Limited has priced an offering of additional 10.000% senior secured notes due 2028 (the "Additional Notes") for gross proceeds of approximately \$150 million.

The Additional Notes will have the same terms and conditions as the existing \$1.225 billion aggregate principal amount of senior secured notes due 2028.

The proceeds from the offering are intended to be used for the acquisition and activation costs for the newbuild rig "Vali", instead of the previously secured yard financing that was intended for the newbuild, as the terms and pricing for the Additional Notes are more advantageous, and for general corporate purposes including debt service. Settlement of the notes offering is expected on or about August 16, 2024 and is subject to customary closing conditions.
