About ONGold Resources Ltd.

ONGold (formerly 1348515 B.C. Ltd.) is a reporting issuer in the provinces of British Columbia and Alberta. ONGold owns significant exploration assets in Northern Ontario, highlighted by the district-scale TPK project and the October gold project. These projects represent a strategic footprint in one of Canada's most prolific gold-producing regions.

The TPK project, known for its extensive gold mineralization, covers 47,976 of hectares in a highly favourable geological setting, and has shown promising exploration results from historical drilling and associated surveys. The project area is situated in a region renowned for its mineral potential.

Similarly, the October gold project, consisting of 1,281 claims covering an area of 265km², holds substantial promise with its favorable geological setting for large-scale gold deposits and is located approximately 35 km along strike from [IAMGold Corp.](#)'s Côté Lake Mine. The project has undergone preliminary exploration activities, which have indicated the presence of mineralized zones with significant gold anomalies. ONGold also holds a 100% interest in additional properties in northwestern Ontario, known as Rapson Bay, Thorne-Ellard and Meston Lake. Together, these comprise 2,334 cell claims, covering 43,791 hectares.

Led by a seasoned management team of industry veterans, ONGold is committed to responsible exploration practices and sustainable development, emphasizing strong partnerships with local Indigenous communities and stakeholders. By adhering to high standards of environmental stewardship and community engagement, ONGold aims to not only explore and develop its assets but also contribute positively to the regions in which it operates.
