

Millbank Mining Corp. Announces Decision to Not Proceed with Proposed Name Change

20.08.2024 | [Newsfile](#)

Vancouver, August 19, 2024 - [Millbank Mining Corp.](#) (TSXV: MILL) (the "Company" or "Millbank") announces that further to its press release dated August 8th, 2024, the Company has elected to not proceed with the proposed name change at this time.

The Company confirms that, at this time, it does not currently hold an interest in any natural hydrogen projects and any subsequent acquisitions would be subject to the approval of the TSX Venture Exchange.

About Millbank Mining Corp.: Millbank Mining Corp. is a mineral exploration company currently focused on its wholly owned and royalty free Arthur Lake property in British Columbia.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

When used in this press release, the words "estimate", "project", "belief", "anticipate", "intend", "expect", "plan", "predict", "may" or "should" and the negative of these words or such variations thereon or comparable terminology are intended to identify forward-looking statements and information. Although the Company believes, in light of the experience of their respective officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in the forward-looking statements and information in this press release are reasonable, undue reliance should not be placed on them because the parties can give no assurance that such statements will prove to be correct. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including, but not limited to, stock market volatility and capital market fluctuations; general market and industry conditions, as well as those risk factors discussed in the Company's most recently filed management's discussion & analysis. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws.
