No action will be required by existing shareholders with respect to the Name Change. Certificates representing common shares of the Company will not be affected by the Name Change and will not need to be exchanged. The Company encourages any shareholder with any questions or concerns to contact the Company or to discuss any of the foregoing with their broker or agent.

## About Li3 Lithium Corp.

Coincident with this news announcement, Li3 Lithium is focused its 100% owned Northern Lights Copper Project in Nevada. The Northern Lights Copper Project is located in the central portion of Nevada's well known Walker Lane Trend about 25 km southeast of Yerington, Nevada. The property covers 1,200 acres (485 hectares) and is in close proximity to [Nevada Copper Corp.](#)'s producing Pumpkin Hollow copper mine. There are also several active copper exploration projects underway in close proximity to the property. Li3Lithium plans to confirm the deposit model with additional surface exploration work following by drilling to define a mineable high-grade copper deposit.
