

Harvest Gold Corporation Announces Non-Brokered Private Placement

10.09.2024 | [The Newswire](#)

[Harvest Gold Corp.](#) (TSXV: HVG) ("Harvest Gold" or the "Company") announces that, subject to the approval of the TSX Venture Exchange (the "Exchange"), it is proceeding with a non-brokered private placement of up to 10,000,000 units of the Company (the "Units") at \$0.04 per Unit and up to 3,000,000 flow-through units (the "FT Units") at \$0.05 per FT Unit for gross proceeds of up to \$550,000 (the "Offering").

Each Unit will consist of one common share in the capital of the Company (a "Share") and one Share purchase warrant (a "Warrant"). Each FT Unit will consist of one flow-through common share (a "FT Share") of the Company and one Warrant.

Each Warrant forming part of the Units and FT Units will entitle the holder to purchase one additional Share at a price of \$0.07 for a period of two years from the closing (the "Closing Date") of the Offering.

The Company intends to use the proceeds raised from the issuance of FT Units to incur Canadian exploration expenses (the "Qualifying Expenditures") on its projects in Quebec prior to December 31, 2024.

The Company anticipates using certain proceeds from the Offering of Units to pay property payments of \$35,000 to [EGR Exploration Ltd.](#) and \$51,500 to [Vior Inc.](#), a final payment of \$52,500 to Novatem, Inc. of Quebec and for general working capital.

The FT Shares will qualify as flow-through shares for purposes of the Income Tax Act (Canada). The Company will renounce said expenditures to the investors for the taxation year ending December 31, 2024.

All securities issued will be subject to a four-month and one day hold period pursuant to securities laws in Canada and, where applicable, the Exchange. Finders' fees may be payable to qualified parties.

Forward Looking Information

This news release includes certain statements that may be deemed "forward looking statements". All statements in this news release, other than statements of historical facts, that address events or developments that Harvest Gold expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur.

Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

The securities referred to in this news release have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any applicable securities laws of any state of the United States, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as such term is defined in Regulation S under the U.S. Securities Act) or persons in the United States unless registered under the U.S. Securities Act and any other applicable securities laws of the United States or an exemption from such registration requirements is available.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of these securities within any jurisdiction, including the United States. Any public offering of securities in the United States must be made by means of a prospectus containing detailed information about the company and management, as well as financial statements.
