Calgary, September 12, 2024 - [Criterion Energy Ltd.](#) (TSXV: CEQ) ("Criterion" or the "Company") is pleased to announce the appointment of Mr. Matthew Klukas, Chief Executive Officer ("CEO"), to its Board of Directors, where he will serve as an Executive Director.

Mr. Klukas was appointed CEO of Criterion on September 6th 2024, bringing over 15 years of experience in the SE Asia energy sector. Prior to assuming the role of CEO, Mr. Klukas served as the Company's Chief Operating Officer since its recapitalization transaction in the fall of 2022 and has been instrumental in the development and execution of the Company's strategy to date.

"We are thrilled to welcome Matthew to the board of directors. His leadership, vision, and deep understanding of our business have been instrumental in driving our success. As COO, he has consistently demonstrated a commitment to innovation and sustainable growth, and we are confident that his contributions on the board will further strengthen our strategic direction as we continue to grow in the energy sector and the region," stated Criterion Chair of the Board Datuk Brian Anderson.

As an Executive Director, Mr. Klukas will work closely with the Board and management team to progress the strategic direction of the Company.

"It is a great honour to join the Board of Directors at this stage of Criterion's growth," said Mr. Klukas. "The achievements from our team since closing of the Mont D'Or acquisition in January 2024, have built the foundation from which we will grow production and cash flow in a sustainable manner. We hold a robust portfolio of assets, offering short-cycle returns from our producing fields, low-cost and material gas developments, and a mature prospect inventory, all of which is made more attractive given our access to proximal and underutilized infrastructure. I am excited to work with the Board and our management team to realize the full potential of this portfolio."

Mr. Klukas holds a B.Sc in Geophysics from the University of Alberta, and an MBA from the University of Calgary. He currently serves as the Energy Advisor to the Canada ASEAN Business Counsel and is a Director of the Calgary Bridge Foundation for Youth.
