

Goliath Upsizes Flow Through Placement From \$12,750,000 To \$14,725,00 With Strategic Investor Mr. Larry Childress Buying 1,000,000 Shares

13.09.2024 | [GlobeNewswire](#)

TORONTO, Sept. 13, 2024 - [Goliath Resources Ltd.](#) (TSX-V: GOT) (OTCQB: GOTRF) (FSE: B4IF) (the "Company" or "Goliath") is pleased to announce it has increased the previously announced non-brokered flow through financing from \$12,750,000 to \$14,725,000 with strategic investor Mr. Larry Childress buying 1,000,000 common shares through Childress Family LP.

In addition, Goliath has closed \$9,562,308 in the first tranche of the flow through financing and a strategic Global Commodity Group based in Singapore has completed their purchase of 1,600,000 common shares increasing its stake in Goliath to 3.5%. The final tranche is expected to close in September 2024.

About Mr. Larry Childress

Mr. Childress has an MS Degree in Mining Engineering. He started an oil exploration company in 1980 discovering several major oilfields in western Kansas. Mr. Childress has been investing in mineral projects at various stages for over 40 years and is currently the second largest shareholder in Fireweed Metals, after the Lundin Family, holding ~22 million shares. Other major holdings include: Filo, WA1 Resources and Hercules Metals. He was the second largest shareholder in Noront Resources when they were taken out by Wyloo at a significant premium to market.

Offering Details

The non-brokered private placement is a combination of: (i) Charity Flow-Through shares (CFT) to be sold at a price of \$1.975 each with no warrant and the Flow-Through shares (FT) to be sold at a price of \$1.44 each with no warrant. These shares will qualify as a flow-through share within the meaning of Subsection 66(15) of the Income Tax Act (Canada). The first tranche consisted of 3,018,000 CFT shares for gross proceeds of \$5,960,550 and 2,501,221 FT shares for proceeds of \$3,601,758 for aggregate proceeds of \$9,562,308.

The Company intends to use the proceeds for general operating expenses and exploration related programs on its properties located in and around the Golden Triangle of northwestern British Columbia.

The proceeds from the FT offering will be used for Canadian exploration expenses as such term is defined in paragraph (f) of the definition of Canadian exploration expense in Subsection 66.1(6) of the tax act, flow-through mining expenditures as defined in Subsection 127(9) of the tax act that will qualify as flow-through mining expenditures, and B.C. flow-through mining expenditures as defined in Subsection 4.721(1) of the Income Tax Act (British Columbia), which will be incurred on or before Dec. 31, 2025, and renounced with an effective date no later than Dec. 31, 2024. British Columbia Super Flow - the B.C. mining flow-through share (B.C. MFTS) tax credit allows BC Residents who invest in flow-through shares to claim a provincial non-refundable tax credit of 20% of their B.C. flow-through mining expenditures. B.C. flow-through mining expenditures are specific exploration expenses incurred by a PBC and renounced by a corporation issuing the flow-through shares.

Goliath paid finders' fees on certain orders in connection with this first tranche composed of 6% cash totaling \$184,663.09 and 6% finder warrants for a 12 month period totaling 103,093 (67,680 finder warrants priced at \$1.26 and 35,413 finder warrants priced at \$1.44), subject to compliance with the policies of the TSX Venture Exchange. All securities issued and sold under the offering will be subject to a hold period expiring

four months and one day from their date of issuance. Completion of the offering and the payment of any finders' fees remain subject to the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange.

About [Goliath Resources Limited](#)

Goliath Resources Limited is an explorer of precious metals projects in the prolific Golden Triangle of northwestern British Columbia. All of its projects are in world class geological settings and geopolitical safe jurisdictions amenable to mining in Canada. Goliath is a member and active supporter of CASERM which is an organization represents a collaborative venture between Colorado School of Mines and Virginia Tech. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange), nor the OTCQB Venture Market accepts responsibility for the adequacy or accuracy of this release.

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on Goliath's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward-looking information relating to, among other things, the ability of the Company to complete financings and its ability to build value for its shareholders as it develops its mining properties. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to Goliath. Although such statements are based on management's reasonable assumptions, there can be no assurance that the proposed transactions will occur, or that if the proposed transactions do occur, will be completed on the terms described above.

The forward-looking information contained in this release is made as of the date hereof and Goliath is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.

This announcement does not constitute an offer, invitation, or recommendation to subscribe for or purchase any securities and neither this announcement nor anything contained in it shall form the basis of any contract or commitment. In particular, this announcement does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States, or in any other jurisdiction in which such an offer would be illegal. The securities referred to herein have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
