17.09.2024 | [The Newswire](#)

This press release is issued pursuant to Multilateral Instrument 62 - Mr. Ryan Kalt (the "Acquiror") reports that he has privately acquired 1,000,000 common share units (the "Acquired Units") of [79 Resources Ltd.](#) (CSE:SNR)("79 Resources" or the "Issuer") on a direct basis through a non-brokered private placement (the "Financing") conducted by the Issuer for which cash consideration of \$50,000.00 was paid to the Issuer (the "EWR Reporting Event").

The Acquired Units were acquired by Mr. Kalt, on a direct basis, for investment purposes. The Placement Shares (below defined) represent, on a stand-alone basis, a total of 3.96% of the now-outstanding common shares of the Issuer triggering the disclosure herein.

The Acquired Units were directly acquired at closing of the Financing (on September 16, 2024) and were acquired pursuant to the terms of the Financing announced by the Issuer (see also news release issued by 79 Resources as dated September 16, 2024), and likewise as set out in the Form 62-103F1 associated with this Early Warning Notice press release.

The Acquired Units represent 1,000,000 common shares of the Issuer (the "Placement Shares") and 1,000,000 common share purchase warrants of the Issuer (the "Placement Warrants").

Under the Business Corporation Act (British Columbia), which applies to the Issuer, Mr. Kalt, who is a Director of the Issuer, abstained from voting on resolutions specific to the Financing and duly provided all applicable notices under the regulations.

As at the date hereof, Mr. Kalt now owns and controls, on a direct and indirect basis (and in the aggregate), a total of 19,547,400 common shares of 79 Resources, representing approximately 77.46% of the issued and outstanding common shares of the Issuer.

Mr. Kalt and/or corporate entities owned by him may acquire additional securities of the Issuer either on the open market or through private acquisitions or sell securities of the Issuer either on the open market or through private dispositions in the future depending on market conditions, reformulation of plans and/or other relevant factors. Other than the foregoing, Mr. Kalt and/or corporate entities owned by him do not have plans or any future intentions which relate to or would result in any of the other foregoing matters.
