About Progressive Planet Solutions

Progressive Planet, a manufacturing company operating out of Kamloops, British Columbia, is reimagining what's possible when we prioritize our planet's health. Our expertise lies in developing products using our owned mineral assets and recycled materials to create products for a healthy planet.

Our C-Quester™ Centre of Sustainable Solutions is proudly disrupting the cement, agricultural and animal care industries. Our product lines include patented and patent pending products which are developed with the express intent of promoting a healthy planet using naturally occurring minerals and the urban mining of recycled materials. Our products can be found in over 10,000 retail stores across North America.

About Planet MicroCap

Planet MicroCap is a global multimedia financial news, publishing and events company focused on news

dissemination, providing information, data and analytics for the MicroCap investing community. We have cultivated an active and engaged audience of folks that are interested in learning about and to stay ahead of the curve in the MicroCap space.
