VANCOUVER, Sep. 24, 2024 - [Apex Critical Metals Corp.](#) (CSE:APXC)(OTCQB:APXCF) ("Apex" or the "Company"), is pleased to announce that it has completed a non-brokered private placement (see the Company's news release dated July 5, 2024), by issuing a total of 604,230 flow-through units (each, a "FT Unit") at a price of \$0.65 per FT Unit for aggregate gross proceeds of \$392,749.50 (the "Offering"). Each FT Unit is comprised of one common share in the capital of the Company issued as a "flow-through share" within the meaning of the Income Tax Act (Canada) and one common share purchase warrant (each, a "Warrant") issued on a non-flow-through basis. Each Warrant entitles the holder to receive one non-flow-through common share in the capital of the Company (each, a "Warrant Share") at a price of \$1.00 per Warrant Share at any time before the date that is two (2) years following the date of issuance.

The gross proceeds from the sale of the FT Units will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through mining expenditures" as such terms are defined in the Income Tax Act (Canada) (the "Qualifying Expenditures") related to the Company's Cap Property located in British Columbia, Canada on or before December 31, 2024. All Qualifying Expenditures will be renounced in favour of the subscribers effective December 31, 2024.

All securities issued pursuant to the Offering are subject to a statutory hold period of four (4) months and a day from the date of issuance.

None of the securities sold in connection with the Offering have been or will be registered under the United States Securities Act of 1933, as amended, and no such securities were offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
