

T2 Metals Announces Appointment of Martin Hoff to Board

09.10.2024 | [Newsfile](#)

Vancouver, October 9, 2024 - [T2 Metals Corp.](#) (TSXV: TWO) (OTCQB: TWOSF) (WKN: A2DR6E) ("T2" or the "Company") is pleased to announce the appointment of Mr. Martin Hoff to the Company's Board (the "Board") as a Non-Executive Director.

Mr. Hoff, based in Germany, has over 15 years of experience as a successful resource industry investor, newsletter writer and manager of natural resource focused companies. He brings an extensive investor network, plus strong skills in operational improvement, marketing and corporate promotion in Europe. Amongst other roles, Mr. Hoff is Managing Partner of HuHo Capital GmbH and Head of Strategic Investments at Aumontis Holding AG, Liechtenstein. Both companies participated significantly in T2 Metals' most recent private placement.

"We are very pleased to welcome Martin Hoff to the T2 Metals Board, allowing us to increase our profile in Europe," said Mark Saxon, CEO of T2 Metals Corp. "We look forward to sharing the T2 Metals story widely as we advance our North American assets, in particular our Sherridon copper project in Manitoba."

Martin Hoff commented, "As a long term, investor with an almost exclusive asset allocation towards the mining sector, I apply rigorous due diligence when it comes to investments in exploration companies. T2 Metals is one of a very few that ticks all boxes for a long-term investor. Experienced management and board, promising assets with substantial upside, prudent capital management and reasonable share structure. It is an honor for me to join the Board of T2 Metals and I look forward to a fruitful collaboration for the benefit of all shareholders."

About T2 Metals Corp (TSXV: TWO) (OTCQB: TWOSF) (WKN: A2DR6E)

T2 Metals Corp is an emerging copper and precious metal company enhancing shareholder value through exploration and discovery. The Company continues to target under-explored areas, including the Sherridon, Lida, Cora and Copper Eagle projects where post-mineralization cover masks areas of high geological prospectivity in the vicinity of major mines.

ON BEHALF OF THE BOARD,

"Mark Saxon"

Mark Saxon
President & CEO

Cautionary Note Regarding Forward-Looking Statements

Certain information set out in this news release constitutes forward-looking information. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "intend", "could", "might", "should", "believe" and similar expressions. Forward-looking statements are based upon the opinions and expectations of management of the Company as at the effective date of such statements and, in certain cases, information provided or disseminated by third parties. Although the Company believes that the expectations reflected in forward-looking statements are based upon reasonable assumptions, and that information obtained from third party sources is reliable, they can give no assurance that those expectations will prove to have been correct. Readers are cautioned not to place undue reliance on forward-looking statements.

These forward-looking statements are subject to a number of risks and uncertainties. Actual results may differ materially from results contemplated by the forward-looking statements. Accordingly, the actual events may differ materially from those projected in the forward-looking statements. Such risks include uncertainties relating to exploration activities. When relying on forward-looking statements to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and should not place undue reliance on such forward-looking statements. The Company does not undertake to update any forward-looking statements, except as may be required by applicable securities laws.
