Vancouver, October 17th, 2024 - [Opawica Explorations Inc.](#) (the "Company" or "Opawica") (TSXV: OPW) (OTCQB: OPWEF), a Canadian mineral exploration company focused on precious and base metal projects, is excited to announce the launch of its newly revamped website ([www.opawica.com](http://www.opawica.com)) and enhanced investor presentation. The new website offers an updated and user-friendly experience for investors, stakeholders and the general public. Providing comprehensive access to the company's latest developments and exploration activities, including:

- Fresh design and improved navigation: A modern look that reflects Opawica's prominent land package profile in the Abitibi Gold Belt.
- Press release and news section: A newly designed press release system to ensure timely and efficient distribution of company announcements and exploration updates.
- Enhanced investor presentation: Updated to reflect current information and past historical results, progress reports, geological data, and maps at the Company's Arrowhead, Bazooka and McWatters properties.

"We are thrilled to unveil our new digital presence as we intend to ramp up exploration activities on our Abitibi Gold Belt properties," said Blake Morgan, CEO of Opawica Explorations. With the huge amount of data, we have collected with drilling and exploration work over the past few years, it was time for the update. This upgrade aligns with our growth strategy, offering an efficient platform to showcase our ongoing projects and foster better engagement with shareholders and stakeholders alike."

The website launch marks an important step forward in Opawica's mission to increase visibility within the mining sector and to communicate its exploration milestones with a global audience.
