

]Centurion Minerals Announces Private Placement Financing

29.10.2024 | [Newsfile](#)

[Centurion Minerals Ltd.](#) (TSXV: CTN) ("Centurion", or the "Company") is pleased to announce a non-brokered private placement financing for up to \$500,000 priced at \$0.025.

The private placement will be a Unit offering comprising one common share and one-half share purchase warrant. Each full warrant shall have a term of 24 months commencing on the Closing Date entitling the holder to purchase one common share at a price of \$0.05 during the first year and \$0.10 during the second year.

As announced on August 12, 2024, Centurion executed a Binding Letter of Intent with a Nicaragua-based corporation, wherein the Company can acquire up to a 78% interest in the 2,520 hectare ("ha") San Cristobal gold project by agreeing to fund all exploration and development activities up to a production decision. The Company is working to complete corporate and geological due diligence and a Definitive Agreement.

Extending beyond the initial San Cristobal interest, Centurion has the exclusive right to acquire up to a 100% interest in additional precious mineral concessions acquired by, or availed to, the Nicaragua group. Centurion is currently reviewing information on additional concession areas and subject to positive due diligence and agreeable financial terms, the Company will proceed to complete one or more additional Definitive Agreements.

Financing proceeds are allocated as follows: 50% for working capital and general corporate activities, 15% for completion of due diligence on the San Cristobal, Nicaragua concessions, 15% for implementing a geophysics survey on the Casa Berardi West Gold Project, 10% for corporate communications. and 10% for non-arm's length payments. Closing will be subject to TSX-V Exchange approval, and any shares issued will be subject to a four-month hold period.

About Centurion Minerals Ltd.

Centurion Minerals Ltd. is a Canadian-based company with a focus on precious mineral asset exploration and development in the Americas. Centurion can earn a 100% interest in the Casa Berardi West Gold Project which is located in the prolific gold-producing, greenstone belt of the central Abitibi Subprovince of north-eastern Ontario.

Cautionary Statement Regarding Forward-Looking Information

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use

of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things, the timing of final approval of the Project; the timing, terms and completion of any proposed private placement; the expected use of proceeds from the financing; the Company's undertaking of initial exploration on the Project; and the Company's intention to exercise its option to purchase a 100% interest in the Project.

These forward-looking statements involve numerous risks and uncertainties, and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, the inability of the Company to raise capital on acceptable terms, or at all; unanticipated costs; adverse changes in legislation; that the Company will not undertake initial exploration on the Project within the timeframe anticipated or at all; market uncertainty; that the Company's operations, business, personnel or financial condition is adversely impacted by COVID-19 or the ongoing conflict in Eastern Europe; and the risk that Company is not able to exercise its option to purchase a 100% interest in the Project.

In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation; that the Company will be able to raise capital on acceptable terms; that the Company will undertake exploration on the Project, as anticipated; that the Company will retain the key personnel required to complete its business objectives; that there will be no adverse changes in legislation; and that the Company will have the resources required to exercise its option to acquire the Project.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement or forward-looking information disclosed herein, except in accordance with applicable laws.
