

Tactical Resources Intends to Amend Certain Consulting Agreements

29.10.2024 | [GlobeNewswire](#)

VANCOUVER, Oct. 29, 2024 - [Tactical Resources Corp.](#) (TSXV: RARE) (OTC: USREF) ("Tactical Resources" or the "Company"), a mineral exploration and development company, announced today that it intends to make amendments to agreements with certain consultants of the Company.

The Company previously entered into consulting agreements (the "Consulting Agreements") with certain of its consultants, including its Chief Executive Officer and Chief Financial Officer, which would become effective following the closing of a transaction that results in the Company being listed on the New York Stock Exchange or the Nasdaq Stock Market (a "Listing Transaction"). The Company's previously announced business combination (the "Business Combination") with Plum Acquisition Corp. III ("Plum") is expected to constitute a Listing Transaction. The Consulting Agreements currently provide for the payment of bonuses based upon the achievement of certain milestones, including the closing of a Listing Transaction. The Company and the respective consultants are currently in negotiations regarding the restructuring of the bonuses payable under the Consulting Agreements with a view to reducing the total bonuses payable. The Company anticipates that the current bonus structure in each of the Consulting Agreements will be replaced prior to closing of the Business Combination with a revised bonus payment that is payable following the initial filing with the U.S. Securities and Exchange Commission of an F-4 registration statement (the "Registration Statement"), which reduced bonus payment would be settled prior to closing of the Business Combination by the issuance of common shares of the Company (the "Shares"). Issuance of the Shares will be subject to the approval of the TSX Venture Exchange. It is anticipated that the Shares would be subject to forfeiture in the event that the Business Combination is not completed.
