

Tajiri Closes Second Tranche of Non-Brokered Private Placement

06.11.2024 | [CNW](#)

VANCOUVER, Nov. 6, 2024 - [Tajiri Resources Corp.](#) (the "Company") (TSXV: TAJ) is pleased to announce that it has received conditional acceptance from the TSX Venture Exchange ("TSXV") and has closed the second tranche of its non-brokered private placement offering of units (the "Offering") previously announced September 23, 2024.

The second tranche of the Offering consisted of 9,994,000 Units priced at \$0.05 per Unit for aggregate gross proceeds of \$499,700. Each Unit consisted of one common share (each, a "Common Share") and one common share purchase warrant (each, a "Warrant"). Each warrant is exercisable by the holder to acquire one Common Share at a price of \$0.10 until November 06th, 2027, subject to the Acceleration Right (as defined herein). If, following the date hereof, the closing price of the Company's common shares on the TSXV for any ten (10) consecutive trading days equals or exceeds \$0.25, the Company has the right, upon providing written notice to the holders of Warrants, to accelerate the expiry date of the Warrants to the date that is thirty (30) days following the date of such notice, which may be provided by way of a news release (the "Acceleration Right"). In connection with the Offering, the Company paid a total of \$17,129 cash and issued 341,580 Warrants, bearing the same terms as those attached to the units, to certain finders in consideration for introducing certain purchasers to the Company. Pursuant to applicable Canadian securities laws, all securities issued and issuable in connection with the first tranche of the Offering will be subject to a four (4) month hold period. In conjunction with closing of this second tranche the Company applied for and received a thirty (30) day extension from the TSXV with respect to the offering in order to finalize a third tranche of the placement. Updates will be provided as necessary on its closing.

The Company intends to utilize the net proceeds from the Offering for the exploration and development of the Company's mineral properties and for general working capital purposes. None of the proceeds from the second tranche of the Offering will be used for the Yono Project acquisition, and the Offering remains subject to final TSXV and regulatory approvals.
