

# T2 Metals Announces Flow Through Private Placement to Raise \$527,000

18.11.2024 | [Newsfile](#)

Vancouver, November 18, 2024 - [T2 Metals Corp.](#) (TSXV: TWO) (WKN: A2DR6E) ("T2" or the "Company") announces that the Company has arranged a non-brokered private placement financing of up to 1,550,000 flow-through units (each a "FT Unit"), at a price of \$0.34 per FT Unit, to raise up to \$527,000. Each FT Unit will consist of one flow-through common share and one-half of a non flow-through common share purchase warrant (each whole warrant a "Warrant"). Each Warrant will entitle the holder to purchase a non flow-through common share at a price of \$0.50 for a period of two years from closing.

There may be insider participation in the Financing. Finder's fees may be paid on a portion of the Financing and net proceeds will be used for exploration of the Company's projects in Manitoba.

All securities issued in the Financing are subject to a four-month hold period and to all necessary regulatory approvals, including the final acceptance of the TSX Venture Exchange.

This press release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the Shares in any jurisdiction in which such offer, solicitation or sale would be unlawful. The Shares have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or the securities laws of any state of the United States, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the U.S. Securities Act) absent registration under the U.S. Securities Act and applicable state securities laws or an exemption from such registration requirements.

About T2 Metals Corp (TSX.V: TWO) (WKN: A2DR6E)

T2 Metals Corp is an emerging copper and precious metal company enhancing shareholder value through exploration and discovery. Cautionary Note Regarding Forward-Looking Statements

Certain information set out in this news release constitutes forward-looking information. Forward looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "intend", "could", "might", "should", "believe" and similar expressions. Forward-looking statements in this press release include future exploration on the Company's mineral projects and the potential to define mineral resources. Forward-looking statements are based upon the opinions and expectations of management of the Company as at the effective date of such statements and, in certain cases, information provided or disseminated by third parties. Although the Company believes that the expectations reflected in forward-looking statements are based upon reasonable assumptions, and

that information obtained from third party sources is reliable, they can give no assurance that those expectations will prove to have been correct. Readers are cautioned not to place undue reliance on forward-looking statements.

These forward-looking statements are subject to a number of risks and uncertainties, including the volatility of metal prices and the price of the Company's common shares; the availability of financing; actual exploration or development plans and costs differing materially from the Company's estimates; the ability to obtain and maintain any necessary permits, consents or authorizations required for mining activities; environmental regulations or hazards and compliance with complex regulations associated with mining activities; climate change and climate change regulations; and the dangers inherent in exploration, development and mining activities. Actual results may differ materially from results contemplated by the forward-looking statements. Accordingly, the actual events may differ materially from those projected in the forward-looking statements. Such risks include uncertainties relating to exploration activities. When relying on forward-looking statements to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and should not place undue reliance on such forward-looking statements. The Company does not undertake to update any forward-looking statements, except as may be required by applicable securities laws.
