Eldur Olafsson, CEO of Amaroq, commented:

"This fundraising will enable us to accelerate our growth plans across our exciting gold and strategic minerals targets, alongside progressing the ramp-up at Nalunaq to commercial production. Following first gold pour at Nalunaq, and with key offtake agreements in place, we look to 2025 with optimism. Across the wider portfolio, we plan to complete further drilling at the Nanoq gold target following recent assay results which demonstrated exceptional gold potential, alongside evaluating the results from our recent copper and nickel exploration campaign.

We are also considering a potential step-up to listing on the Main Market of the London Stock Exchange and will provide an update in due course. Amaroq remains well positioned to unlock the significant resource potential of our portfolio in South Greenland, delivering long-term value for all stakeholders."

Background to and Reasons for the Fundraising

The Company's strategy is to leverage its first mover advantage in Greenland, underpinned by the Nalunaq project, to build a full-cycle mining company, delivering long term shareholder value and providing significant upside potential through its land bank of high-impact gold and strategic minerals exploration assets. Amaroq has been listed on the TSX-V since July 2017, AIM since July 2020, First North between November 2022 to September 2023 and the Icelandic Exchange since September 2023.

The Company acquired the Nalunaq gold project in 2015 and has made significant progress since this time in expanding the extent of the resource base through drilling, incorporating a new geological model (the Dolerite Dyke model) to better understand the distribution of the high-grade ore, building a new winterized camp to allow full-year activities, and acquiring and otherwise progressing much of the infrastructure required to bring Nalunaq into production. First gold pour at Nalunaq was achieved on 27 November 2024 and the Company intends to ramp-up production throughout 2025 with the aim of reaching nameplate capacity of 260-300 tonnes per day by Q4 2025.

Amaroq has also been able to acquire the largest package of mineral rights in southern Greenland with a number of assets that are highly prospective for gold and strategic minerals. The addition of strategic minerals into the portfolio provides significant growth potential, as these metals and minerals, such as copper, nickel, titanium and graphite, are critical for increased electrification as part of the world's decarbonisation strategy and as independent supply continues to become an increasing focus for nations globally.

Key developments at Nalunaq since AIM admission in 2020 include:

- Production: Amaroq achieved its first gold pour at its cornerstone Nalunaq gold mine in Greenland on 27 November 2024. This signified a major step on Amaroq's journey towards becoming self-funded and triggering initial cash flow generation. Alongside this announcement, Amaroq also signalled that ramp-up to nameplate plant capacity of 260-300 tonnes per day is expected to take place in Q4 2025.
- Partnerships and agreements: Amaroq has entered into an offtake agreement with Auramet International, Inc., ("Auramet"), whereby Auramet will purchase all of the gold produced from Amaroq's Nalunaq gold mine. In addition to this, Amaroq secured an agreement with Metalor Technologies SA ("Metalor"), which specializes in the evaluation and refining of precious metals at its refinery located in Switzerland. Metalor will process all the doré alloy obtained from Nalunaq. Finally, Amaroq will be partnering with a UK refinery to offer local Greenlandic people the opportunity to buy gold sourced from Nalunaq.
- Infrastructure: Since admission, Amaroq has completed a significant proportion of Nalunaq's required infrastructure, with 98% of process plant detail design and engineering complete, and plant pad earthworks and civil construction both 100% complete, an all-weather exploration camp constructed and commissioned, critical surface mobile equipment purchased and supporting infrastructure either purchased or commercially and technically evaluated.
- Third Party Engineering Study: Halyard Inc. ("Halyard") was engaged to complete a third-party engineering study on Nalunaq's development costs including the process plant, mobile equipment, surface infrastructure, permanent camp and associated logistics and engineering. The study concluded that the advanced engineering of the overall project is now to Feasibility Study level based on the Canadian requirements of National Instrument 43-101 - *Standards of Disclosure for Mineral Project* ("NI 43-101").
- The Dolerite Dyke Model: Amaroq has worked with SRK Consulting to develop a robust Mineral Resource estimation technique for Nalunaq. This included the development of the Dolerite Dyke Model to account for the high-grade variability from core sampling (the 'nugget effect') in order to better reflect the full resource potential at Nalunaq. The model allows the geological results to be incorporated into the Halyard engineering study in order to move the project towards independent technical studies to support further development.
- Resource Growth through Drilling: Amaroq has drilled approximately 22,373 metres at Nalunaq since its admission to AIM and, incorporating learnings from the new Dolerite Dyke model, has identified two new high-grade zones, namely Valley Block and Welcome Block, taking the total number of identified high grade zones at the asset to five. The Valley Block is now expected to be one of the key targets for initial development. As a result of drilling in the 2020 and 2021 field seasons, Amaroq announced on 6 September 2022 that it had increased its total Inferred Mineral Resource by 30% contained gold, with a 50% increase in average grade, since the previous estimate reported in 2020. The resource now sits at 355 Kt @ 28.0 g/t Au for 320 Koz gold, putting the project in the top 2% of projects globally in terms of reported gold resource grade. Amaroq has identified the Mountain Block as a key target for further mine development and optimization. Significant progress at the Mountain Block has been achieved, with the ramp completed to 742 level and ore development continued on 732 level. Amaroq also announced the completion of the 2024 exploration programme, including over 8,600 metres of core drilling across the gold and strategic metals portfolio.
- Debt Financing: In July 2024, Amaroq agreed heads of terms, subject to final documentation, with Landsbankinn for US\$35.0 million in Revolving Credit Facilities, which would secure a substantial increase and extension to its current debt facilities. In October 2024, Amaroq entered into an agreement with the holders of its US\$22.4 million convertible notes to convert the notes' outstanding balance into new Common Shares. That measure serves to simplify Amaroq's capital structure, reduces cash interest costs and increases future financial flexibility.
- Mining Contract Awarded: Amaroq has signed a contract mining agreement with Thyssen Schachtbau GmbH and a procurement and supply chain support agreement with Tamarack Mining Services to support the restart of Nalunaq.
- Delivering on the Company's ESG mandate: The Government of Greenland approved the Environmental Impact Assessment ("EIA") and Social Impact Assessment ("SIA") for the Nalunaq project in June 2024. The Company is now working with stakeholders on the Impact Benefit Agreement. Further to this, a portion of the net proceeds from the Fundraising is expected to be deployed to accelerate the use of clean energy at Nalunaq and other exploration sites.

Following the Company's progress outlined above, Nalunaq is transitioning from being a cost centre to a cash generator, with first gold pour achieved on 27 November 2024. During 2025, the Company is expecting Phase 1 Commissioning of the Nalunaq plant to complete in Q1 2025, as well as an updated Mineral Resource Estimate (MRE4) for Nalunaq to be published, and for ramp-up to nameplate plant capacity of 260-300 tonnes per day to take place in Q4 2025.

The Company has identified several new investments in its mining equipment and facilities, as it seeks to upgrade and expand its mining fleet as well as improve maritime services. These investments should further optimise operations at Nalunaq. This also lays the groundwork for the Company's vision of servicing Greenland's future mining operations. The Company recognises its unique position as a first-mover in the growing Greenlandic mining industry. By investing into its own operations and supply chains, the Company will be able to support and capitalise on Greenland's growing mining sector (60 - 70% annual growth) by supplying the industry with assets, services, and supplies.

Outside of Nalunaq development, the Company also plans to accelerate certain advanced exploration activities at its high priority gold targets with the overall objective of evaluating options to integrate them into the Nalunaq processing infrastructure. At Nanoq, Stage 1 scout drilling to confirm mineralisation style and potential grades was completed in 2024. Stage 2 across 2025 is expected to include systematic drilling focused on understanding geometry, grade continuity, metallurgy, and resource potential. In Stage 3 across 2026/27, Nanoq is expected to reach a bulk sampling stage through a trial portal extending from the deep-water entry to the mineralized structure, with sample processing conducted at the Nalunaq process plant. Further exploration opportunities have also been identified in the Company's Gardaqt joint venture. The Company has also identified several areas of increased focus to develop its strategic minerals portfolio including a new copper target development, expanded drilling at Josva & Target North, the Stendalen project development, and further new project generation.

The final major initiative identified involves investments in hydropower-based green energy production to lower diesel expenses and emissions. At Nalunaq, it is currently envisioned that the process plant will be powered through hydroelectric power to reduce diesel usage. Nalunaq's mining operations are envisioned to implement battery run equipment to reduce ventilation and diesel requirements, and its camp and infrastructure is envisioned to be powered through hydroelectric, wind and solar, with a diesel generator as back-up. At other exploration sites across Amaroq's portfolio, the camp and infrastructure are envisioned to be powered through small scale wind and solar energy to charge batteries and reduce dependency on diesel power generation.

Sources and Uses of Proceeds

The net use of proceeds from the Fundraising will be to help the Company strengthen its working capital position whilst Nalunaq is in commissioning phase and accelerate growth opportunities within the Company's portfolio of assets in Greenland in Greenland. More specifically, the net proceeds from the Fundraising will be to fund further resource drilling at Nalunaq to expand resource and provide mining flexibility, further exploration drilling at Nanoq to define resource potential and the development opportunity, investments in mining equipment, other facilities and green energy production to further optimise operations in Nalunaq, and advancement of the Company's strategic portfolio, alongside JV partners with further target exploration, and to provide additional working capital.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the UK Placing Shares have been subject to a product approval process, which has determined that the UK Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in the FCA Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the UK Placing Shares may decline and investors could lose all or part of their investment; the UK Placing Shares offer no guaranteed income and no capital protection; and an investment in the UK Placing Shares is

compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the UK Placing. Furthermore, it is noted that, in relation to the UK Placing, notwithstanding the Target Market Assessment, Panmure Liberum and Canaccord will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A, respectively, of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the UK Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the UK Placing Shares and determining appropriate distribution channels.

EU Product Governance Requirements

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements") and/or any equivalent requirements elsewhere to the extent determined to be applicable, and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements and/or any equivalent requirements elsewhere to the extent determined to be applicable) may otherwise have with respect thereto, the UK Placing Shares have been subject to a product approval process, which has determined that the UK Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "EU Target Market Assessment"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the UK Placing Shares may decline and investors could lose all or part of their investment; the UK Placing Shares offer no guaranteed income and no capital protection; and an investment in the UK Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the UK Placing. Furthermore, it is noted that, in relation to the UK Placing, notwithstanding the EU Target Market Assessment, Panmure Liberum and Canaccord will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the UK Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the UK Placing Shares and determining appropriate distribution channels.

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this release.

The UK Placing Shares will be subject to statutory resale (hold) restrictions for a period of four months and one day in Canada under the applicable Canadian securities laws and any resale of the Common Shares must be made in accordance with such resale restrictions or in reliance on an available exemption therefore. This Announcement has been issued by, and is the sole responsibility of, the Company. No representation or warranty, express or implied, is or will be made as to, or in relation to, and no responsibility or liability is or will be accepted by either UK Joint Bookrunner or any of its Affiliates, nor any of its or its their directors, officers, employees, agents or advisers as to or in relation to, the accuracy or completeness of this Announcement or any other written or oral information made available to or publicly available to any party or its advisers, and any liability therefore is expressly disclaimed.

The UK Joint Bookrunners are acting exclusively for the Company and no-one else in connection with the UK Placing and are not, and will not be, responsible to anyone (including the Placees) other than the Company for providing the protections afforded to their clients nor for providing advice in relation to the UK Placing and/or any other matter referred to in this Announcement.

None of the Company or the UK Joint Bookrunners or any of their respective Affiliates or Representatives nor any of its or their respective Affiliates' directors, officers, employees, agents or advisers makes any representation or warranty, express or implied to any Placees regarding any investment in the securities referred to in this Announcement under the laws applicable to such Placees. Each Placee should consult its own advisers as to the legal, tax, business, financial and related aspects of an investment in the UK Placing Shares.

 - (ii) where UK Placing Shares have been acquired or subscribed for by it on behalf of persons in any Relevant Member State other than EEA Qualified Investors, the offer of those UK Placing Shares to it is not treated under the EU Prospectus Regulation as having been made to such persons;

4. in the case of a Relevant Person in the United Kingdom who acquires any UK Placing Shares pursuant to the UK Placing:

(a) it is a UK Qualified Investor;

(b) in respect of any UK Placing Shares acquired by it as a "financial intermediary", as that term is used in Article 5(1) of the UK Prospectus Regulation:

(i) the UK Placing Shares acquired by and/or subscribed for by it in the UK Placing will not be acquired and/or subscribed for on a non-discretionary basis on behalf of, nor will they be acquired or subscribed for with a view to their offer or resale to persons in the United Kingdom other than to UK Qualified Investors, or in circumstances which may give rise to an offer of securities to the public other than an offer or resale in the United Kingdom to UK Qualified Investors, or in circumstances in which the prior consent of the UK Joint Bookrunners has been given to each such proposed offer or resale; or

(ii) where the UK Placing Shares have been acquired or subscribed for by it on behalf of persons in the United Kingdom other than UK Qualified Investors, the offer of those UK Placing Shares to it is not treated under the UK Prospectus Regulation as having been made to such persons;

IMPORTANT INFORMATION FOR PLACEES ONLY REGARDING THE UK PLACING

Bookbuild

Following this Announcement, the UK Joint Bookrunners will commence a bookbuild process in respect of the UK Placing (the "Bookbuild") to determine demand for participation in the UK Placing by Placees. The book will open with immediate effect following release of this Announcement. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the UK Placing. No commissions will be paid to Placees or by Placees in respect of any UK Placing Shares.

The UK Joint Bookrunners and the Company shall be entitled to effect the UK Placing by such alternative method to the Bookbuild as they may, in their sole discretion, determine.

Details of the Placing Agreement and the UK Placing Shares

The UK Joint Bookrunners are acting as placing agents in connection with the UK Placing. The UK Joint Bookrunners have entered into a placing agreement (the "Placing Agreement") with the Company under which, on the terms and subject to the conditions set out in the Placing Agreement, the UK Joint Bookrunners have severally (and not jointly or jointly and severally), as agents for and on behalf of the Company, agreed to use their respective reasonable endeavours to procure Placees for the UK Placing Shares at a price of 86 pence per UK Placing Share (the "Placing Price"). The number of UK Placing Shares in the UK Placing will be determined following completion of the Bookbuild and set out in a term sheet to be entered into between the UK Joint Bookrunners and the Company (the "Term Sheet"). The final number of UK Placing Shares, Canadian Subscription Shares and the number of Icelandic Placing Shares will be decided at the close of the Bookbuild. The timing of the closing of the book and allocations will be at the discretion of the UK Joint Bookrunners. Details of the number of UK Placing Shares, Canadian Subscription Shares and the number of Icelandic Placing Shares will be announced as soon as practicable after the close of the Bookbuild.

In accordance with the terms and subject to the conditions in the Placing Agreement, the UK Placing is not underwritten by the UK Joint Bookrunners and in the event that subscribers are not obtained for all or any of the UK Placing Shares (being the "Unplaced Shares") or in the event of a default to make payment by any subscribers procured by either UK Joint Bookrunner, there will be no obligation on either UK Joint Bookrunner to subscribe for any Unplaced Shares or defaulted UK Placing Shares.

The UK Placing Shares will, when issued, be subject to the constitutional documents of the Company and credited as fully paid and will rank pari passu in all respects with the existing issued Common Shares in the capital of the Company, including the Canadian Subscription Shares and the Icelandic Placing Shares, including the right to receive all dividends and other distributions declared, made or paid in respect of such Common Shares after the date of issue of the UK Placing Shares.

Alongside the UK Placing, the Company has proposed a placing in Iceland of new Common Shares at the Placing Price, being the "Icelandic Placing Shares". Acro, Fossar and Landsbankinn are acting as joint bookrunners in connection with the Icelandic Placing. The Company has entered into a service agreement with Acro, Fossar and Landsbankinn in relation to the Icelandic Placing ("Icelandic Service Agreement"). Landsbankinn has agreed to underwrite up to £10 million of new Common Shares or new depositary receipts representing Common Shares, subject to £10 million being placed in the Fundraising, reducing pound for pound to the extent that the Fundraising raises gross proceeds of more than £10 million.

Pursuant to the Fundraising, the Company is seeking, in aggregate, to raise gross proceeds of approximately £20.0 million (equivalent to approximately C\$35.6 million or ISK3.5 billion). Alongside the UK Placing and Icelandic Placing, the Company has also procured certain subscriptions of Canadian Subscription Shares at the Placing Price, being the Canadian Subscription. For the avoidance of doubt, these Terms and Conditions set out in this Appendix apply to the UK Placing, but do not apply to the Icelandic Placing or the Canadian Subscription.

As set out under "Conditions of the UK Placing", the UK Placing is conditional upon, amongst other things, the Icelandic Subscription Agreements and the Canadian Subscription Agreements being wholly unconditional. The Icelandic Placing is conditional upon, amongst other things, the Service Agreement not having been terminated prior to the subscription for the Icelandic Placing Shares and the conditional approval of the TSX-V.

Applications for admission to trading

Application will be made to the London Stock Exchange for admission of the Fundraising Shares, including the UK Placing Shares, to trading on AIM ("Admission").

It is expected that Admission will become effective at 8.00 a.m. (London time) on 16 December 2024 (or such later date as may be agreed between the Company and the UK Joint Bookrunners).

The Company will apply for conditional approval of the TSX-V, with respect to the UK Placing Shares,

subject to the satisfaction by the Company of any conditions imposed by the TSX-V. It is expected that admission of the UK Placing Shares on the TSX-V will become effective on or around 9.30 a.m. (Toronto time) on 16 December 2024 (or such later date as may be agreed between the Company and the UK Joint Bookrunners).

The Company will apply for listing of the Fundraising Shares, including the UK Placing Shares, on the Icelandic Exchange, with admission expected to become effective at 9.30 a.m. (Reykjavik time) on 16 December 2024.

Participation in, and principal terms of, the UK Placing

1. The UK Joint Bookrunners are acting as joint bookrunners and joint brokers in connection with the UK Placing. The UK Joint Bookrunners are acting severally (and not jointly or jointly and severally) as agents of the Company. Panmure Liberum is also acting as nominated adviser to the Company. Participation in the UK Placing will only be available to persons who may lawfully be, and are, invited by the UK Joint Bookrunners to participate. Each UK Joint Bookrunner and its Affiliates are entitled to enter bids as principal in the Bookbuild.
2. The Bookbuild, if successful, will establish the number of UK Placing Shares to be issued and allotted by all Placees whose bids are successful. The number of UK Placing Shares and the aggregate proceeds to be raised through the UK Placing will be agreed between the UK Joint Bookrunners and the Company following completion of the Bookbuild. The number of UK Placing Shares will be announced on a Regulatory Information Service ("Placing Results Announcement") following the completion of the Bookbuild and entry into the Term Sheet by the Company and the UK Joint Bookrunners.
3. To bid in the Bookbuild, Placees should communicate their bid by telephone or in writing to their usual sales contact at the relevant UK Joint Bookrunner. Each bid should state the number of UK Placing Shares which a prospective Placee wishes to subscribe for at the Placing Price. Bids may be scaled down by the UK Joint Bookrunners on the basis referred to in paragraph ?7 below. The UK Joint Bookrunners reserve the right not to accept bids or to accept bids in part rather than in whole.
4. The Bookbuild is expected to close no later than 7.00 a.m. (London time) on 4 December 2024 but may be closed earlier or later, at the absolute discretion of the UK Joint Bookrunners. The UK Joint Bookrunners may, following consultation with the Company, accept bids that are received after the Bookbuild has closed. The Company reserves the right (upon agreement of the UK Joint Bookrunners) to reduce or seek to increase the amount to be raised pursuant to the UK Placing, in its discretion.
5. Each Placee's allocation will be agreed between the UK Joint Bookrunners and the Company and will be confirmed to Placees orally or in writing by the relevant UK Joint Bookrunner, acting as agent of the Company, following the close of the Bookbuild, and a contract note will be dispatched as soon as possible thereafter. Subject to paragraph ?11 below, the relevant UK Joint Bookrunner's oral or written confirmation to such Placee will constitute an irrevocable legally binding commitment upon such person (who will at that point become a Placee) in favour of such UK Joint Bookrunner and the Company, under which such Placee agrees to subscribe for the number of UK Placing Shares allocated to it and to pay the Placing Price for each such UK Placing Share on the Terms and Conditions set out in this Appendix and in accordance with the Company's constitutional documents.
6. The Company will release the Placing Results Announcement following the close of the Bookbuild, detailing the aggregate number of the UK Placing Shares, Canadian Subscription Shares and Icelandic Placing Shares to be issued.
7. Subject to paragraphs 2 and ?3 above, the UK Joint Bookrunners may choose to accept bids, either in whole or in part, on the basis of allocations determined at their discretion and may scale down any bids for this purpose on such basis as they may determine or be directed. The UK Joint Bookrunners may also, notwithstanding paragraphs ?2 and ?3 above, following consultation with the Company, (a) allocate UK Placing Shares after the time of any initial allocation to any person submitting a bid after that time; and (b) allocate UK Placing Shares after the Bookbuild has closed to any person submitting a bid after that time. The acceptance of offers shall be at the absolute discretion of the UK Joint Bookrunners. If within a reasonable time after a request for verification of identity, the relevant UK Joint Bookrunner has not received such satisfactory evidence, such UK Joint Bookrunner may, in its absolute discretion, terminate the Placee's UK Placing participation in which event all funds delivered by the Placee to relevant UK Joint Bookrunner will be returned without interest to the account of the drawee bank or CREST account from which they were originally debited.

8. The UK Placing Shares are being offered and sold by the Company (a) outside the United States to non-US persons in offshore transactions as defined in, and pursuant to, Regulation S, or (b) in the United States to a limited number of investors reasonably believed to be QIBs who have delivered to the Company and the UK Joint Bookrunners an investor representation letter in the form provided to it, in transactions not involving any "public offering" within the meaning of Section 4(a)(2) of the Securities Act, and/or pursuant to an exemption from, or transaction not subject to, the registration requirements of the Securities Act. The Placee and the prospective beneficial owner of the UK Placing Shares is, and at the time the UK Placing Shares are subscribed for will be (a) outside the United States, not a US person and subscribing for the UK Placing Shares in an "offshore transaction" as defined in, and pursuant to, Regulation S; or (b) (i) a QIB, and (ii) subscribing for the UK Placing Shares pursuant to an exemption from, or in a transaction not subject to, the registration requirements under the Securities Act, acknowledging that the UK Placing Shares have not been, and will not be, registered under the Securities Act or with any State or other jurisdiction of the United States. With respect to (b) above, it is subscribing for the UK Placing Shares for its own account or for one or more accounts as to each of which it exercises sole investment discretion and each of which is a QIB, for investment purposes only and not with a view to any distribution or for resale in connection with the distribution thereof, in whole or in part, in the United States, and it has full power to make the representations, warranties, indemnities, acknowledgements, agreements and undertakings herein on behalf of each such account.
9. A bid in the Bookbuild will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and except with the relevant UK Joint Bookrunner's consent will not be capable of variation or revocation after the time at which it is submitted. Each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the relevant UK Joint Bookrunner (as agent of the Company), to pay it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of UK Placing Shares that such Placee has agreed to acquire. Such Placees' obligations will be owed to the Company and to the relevant UK Joint Bookrunner. The Company shall allot such UK Placing Shares to each Placee following each Placee's payment to the relevant UK Joint Bookrunner of such amount.
10. Except as required by law or regulation, no press release or other announcement will be made by either UK Joint Bookrunner or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
11. Irrespective of the time at which a Placee's allocation(s) pursuant to the UK Placing is/are confirmed, settlement for all UK Placing Shares to be acquired pursuant to the UK Placing will be required to be made on the basis explained below under "Registration and Settlement".
12. All obligations under the Bookbuild and UK Placing will be subject to fulfilment of the conditions referred to below under "Conditions of the UK Placing" and to the UK Placing not being terminated on the basis referred to below under "Termination of the UK Placing".
13. By participating in the Bookbuild, each Placee will agree that its rights and obligations in respect of the UK Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
14. To the fullest extent permissible by law, neither UK Joint Bookrunner, nor the Company, nor any of their respective Affiliates shall have any responsibility or liability (including to the extent permissible by law, any fiduciary duties) to Placees or to any other person whether acting on behalf of a Placee or otherwise. In particular, neither UK Joint Bookrunner, nor the Company, nor any of their respective Affiliates shall have any responsibility or liability (including, to the extent permissible by law, any fiduciary duties) in respect of the UK Joint Bookrunners' conduct of the Bookbuild or of such alternative method of effecting the UK Placing as the UK Joint Bookrunners, their respective Affiliates and the Company may agree or determine.

7. the warranties on the part of the Company in the Placing Agreement being true and accurate in all material respects and not misleading as of the date of the Placing Agreement, the date of the Term Sheet and at all times up to and immediately prior to the date of Admission, as though they had been given and made on such dates by reference to the facts and circumstances then subsisting;
8. neither UK Joint Bookrunner having terminated the Placing Agreement before Admission in accordance with its terms;

11. the TSX-V providing conditional approval for the listing of all the Fundraising Shares on the TSX-V, subject to the Company fulfilling the requirements of such exchange; and
12. Admission taking place by not later than 8.00 a.m. (London time) on 16 December 2024 or such later date as the Company and the UK Joint Bookrunners may agree in writing but in any event not later than 8.00 a.m. (London time) on the Long Stop Date.

If (a) any of the conditions set out in the Placing Agreement, including those described above, in relation to the UK Placing are not fulfilled or waived by the UK Joint Bookrunners by the respective time or date where specified (or such later time or date as the Company and the UK Joint Bookrunners may agree, save that such time shall not be extended beyond 8.00 a.m. (London time) on the Long Stop Date); (b) any of such conditions becomes incapable of being fulfilled; or (c) the Placing Agreement is terminated in the circumstances specified below, the UK Placing will not proceed and each Placee's rights and obligations hereunder in relation to the UK Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee against any of the Company or either UK Joint Bookrunner in respect thereof.

The UK Joint Bookrunners may, in their absolute discretion and upon such terms as they think fit, waive fulfilment of all or any of the conditions in the Placing Agreement in whole or in part, or extend the time provided for fulfilment of one or more conditions, save that certain conditions including the condition relating to Admission may not be waived. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement. Each UK Joint Bookrunner may terminate the Placing Agreement in certain circumstances, details of which are set out below.

Placees will have no rights against either UK Joint Bookrunner or the Company under the Placing Agreement pursuant to the Contracts (Rights of Third Parties) Act 1999 (as amended) or otherwise.

Neither UK Joint Bookrunner, nor any of its Affiliates, nor any of its or its Affiliates' directors, officers, employees, agents or advisers shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision it may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the UK Placing nor for any decision it may make as to the satisfaction of any condition or in respect of the UK Placing generally and by participating in the UK Placing each Placee agrees that any such decision is within the absolute discretion of the UK Joint Bookrunners.

By participating in the Bookbuild, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described above and under "Termination of the UK Placing" below and will not be capable of rescission or termination by it.

Termination of the UK Placing

Each UK Joint Bookrunner is entitled to terminate the Placing Agreement in accordance with its terms in certain circumstances, including, inter alia, if at any time before Admission in the opinion of either UK Joint Bookrunner (acting in good faith):

1. any statement contained in the documents issued by the Company in connection with the UK Placing is incorrect or has become or been discovered to be untrue or inaccurate in any material respect or misleading or that there has been a material omission therefrom;
2. any of the warranties given by the Company under the Placing Agreement was, when given, in any material respect, untrue or inaccurate or misleading;
3. any of the warranties given by the Company under the Placing Agreement is not, or has ceased to be, in any material respect, true or accurate or not misleading (or would not be true, accurate or not misleading if then repeated) by reference to the facts subsisting at the time;
4. the Company has failed to comply with any of its obligations contained in the UK Placing Agreement;
5. there has occurred a suspension or cancellation by either the AIM, the TSX-V or the Icelandic Exchange of trading in the Company's securities on any of AIM, the TSX-V or the Icelandic Exchange, other than a suspension of trading in the Company's securities on the TSX-V to facilitate the Bookbuild;
6. any of the Icelandic Service Agreement or the Icelandic Letter of Commitment having terminated or lapsed;
7. there are any facts, matters or circumstances which give rise to, or are reasonably likely to give rise to (in the opinion of either Bank acting in good faith) a claim under the indemnities given by the Company for the benefit of the UK Joint Bookrunners under the Placing Agreement;
8. the appointment of either UK Joint Bookrunner as agent of the Company under the Placing Agreement is terminated for whatever reason;
9. there shall have occurred any significant new factor, mistake or inaccuracy in the information in this document requiring in the opinion of either UK Joint Bookrunner, acting in good faith, a supplementary press document to be published by or on behalf of the Company; or
10. there has occurred, in the opinion of either UK Joint Bookrunner acting in good faith, a Material Adverse Change whether or not foreseeable at the date of the Placing Agreement.

On the occurrence of any one or more of the above-mentioned circumstances, either UK Joint Bookrunner may, in its absolute discretion, by notice in writing to the Company (or by orally communicating the same to the Company and the other UK Joint Bookrunner), terminate the Placing Agreement with immediate effect. If circumstances arise that would allow either UK Joint Bookrunner to terminate the Placing Agreement, it may nevertheless determine to allow Admission to proceed. In addition, if both UK Joint Bookrunners do not give notice to terminate the Placing Agreement in circumstances where they are able, the UK Joint Bookrunner who does not give such notice may allow Admission to proceed and will assume the obligations which remain to be performed under the Placing Agreement by the UK Joint Bookrunner who has given notice to terminate.

By participating in the UK Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and under the "Conditions of the UK Placing" section above and will not be capable of rescission or termination by it after oral confirmation by the relevant UK Joint Bookrunner following the close of the Bookbuild.

By participating in the Bookbuild, each Placee agrees with the Company and the UK Joint Bookrunners that the exercise by the Company or the UK Joint Bookrunners of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or the UK Joint Bookrunners or for agreement between the Company and the UK Joint Bookrunners (as the case may be) and that neither the Company nor the UK Joint Bookrunners need make any reference to, or undertake any consultation with, Placees and that neither they nor any of their respective Affiliates', agents, directors, officers or employees shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

No prospectus

The UK Placing Shares are being offered to a limited number of specifically invited persons only and will not be offered in such a way as to require any prospectus or other offering document to be published. No prospectus or other offering document has been or will be submitted to be approved by the FCA in relation to the UK Placing or the UK Placing Shares and Placees' commitments will be made solely on the basis of publicly available information taken together with the information contained in this Announcement, and any Exchange Information previously published by or on behalf of the Company simultaneously with or prior to the date of this Announcement and subject to any further terms set forth in the contract note sent to individual Placees.

Each Placee, by participating in the UK Placing, agrees that the content of this Announcement and the

publicly available information released by or on behalf of the Company is exclusively the responsibility of the Company and confirms to the UK Joint Bookrunners and the Company that it has neither received nor relied on any other information, representation, warranty, or statement made by or on behalf of the Company (other than publicly available information) or the UK Joint Bookrunners or their respective Affiliates or any other person and none of the UK Joint Bookrunners or the Company, or any of their respective Affiliates or any other person will be liable for any Placee's decision to participate in the UK Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received (regardless of whether or not such information, representation, warranty or statement was given or made by or on behalf of any such persons). Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the UK Placing. No Placee should consider any information in this Announcement to be legal, tax or business advice. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Lock-up

The Company has undertaken to the UK Joint Bookrunners that, between the date of the Placing Agreement and 120 calendar days after the Closing Date, it will not, without the prior written consent of the UK Joint Bookrunners, enter into certain transactions involving or relating to the Common Shares, subject to certain customary carve-outs agreed between the UK Joint Bookrunners and the Company.

By participating in the UK Placing, Placees agree that the exercise by the UK Joint Bookrunners of any power to grant consent to waive the undertaking by the Company of a transaction which would otherwise be subject to the lock-up under the Placing Agreement shall be within the absolute discretion of the UK Joint Bookrunners and that they need not make any reference to, or consult with, Placees and that they shall have no liability to Placees whatsoever in connection with any such exercise of the power to grant consent.

Registration and settlement

Settlement of transactions in the UK Placing Shares (ISIN: CA00108V1022) following Admission will take place within the relevant system administered by Euroclear ("CREST"), using the delivery versus payment mechanism, subject to certain exceptions. Subject to certain exceptions, the UK Joint Bookrunners and the Company reserve the right to require settlement for, and delivery of, the UK Placing Shares to Placees by such other means that they deem necessary if delivery or settlement is not practicable in CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

In order to enable Placees in the United Kingdom to settle their securities through CREST, the Company has appointed Computershare Investor Services plc to act as a depositary (the "Depositary") to hold the Common Shares and issue dematerialised depositary interests representing the underlying Common Shares ("Depositary Interests"). The Depositary will hold the Common Shares on trust for the relevant shareholders.

The Depositary Interests are independent English securities and held on a register maintained by the Depositary. The Depositary Interests have the same security code and ISIN number as the underlying Common Shares which they represent and do not require a separate admission to AIM. Any references to UK Placing Shares in this Announcement shall include any Depositary Interests issued in relation to the same.

Following the close of the Bookbuild for the UK Placing, each Placee allocated UK Placing Shares in the UK Placing will be sent a contract note stating the number of UK Placing Shares to be allocated to it at the Placing Price, the aggregate amount owed by such Placee to the relevant UK Joint Bookrunner and settlement instructions. It is expected that such contract note will be despatched on or around 4 December 2024 and that this will also be the trade date.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions that it has in place with the relevant UK Joint Bookrunner. The Company will deliver the UK Placing Shares to a CREST account or account operated by each UK Joint Bookrunner as agent for the Company and the relevant Bank will enter its delivery instruction into the CREST system. Each UK Joint Bookrunner will hold any UK Placing Shares delivered to this account as nominee for the Placees. The input to CREST by a Placee of a matching or

acceptance instruction will then allow delivery of the relevant UK Placing Shares to that Placee against payment. It is expected that settlement will be on 16 December 2024 on a T+8 basis in accordance with the instructions given to the UK Joint Bookrunners.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above SONIA as determined by the UK Joint Bookrunners.

Each Placee agrees that, if it does not comply with these obligations, the UK Joint Bookrunners (or either of them) may sell any or all of their UK Placing Shares on their behalf and retain from the proceeds, for the Company's own account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the Placing Price and for any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of its UK Placing Shares on its behalf.

If UK Placing Shares are to be delivered to a custodian or settlement agent, Placees must ensure that, upon receipt, the conditional contract note is copied and delivered immediately to the Relevant Person within that organisation. Insofar as UK Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such UK Placing Shares should, subject as provided below, be so registered free from any liability to United Kingdom stamp duty or stamp duty reserve tax. Placees will not be entitled to receive any fee or commission in connection with the UK Placing.

Representations and warranties

By participating in the Bookbuild, each Placee (and any person acting on such Placee's behalf) irrevocably acknowledges, confirms, undertakes, represents, warrants and agrees (for itself and for any such prospective Placee) with each UK Joint Bookrunner (in its capacity as placing agent of the Company in respect of the UK Placing) and the Company, in each case as a fundamental term of its application for UK Placing Shares, the following:

7. that, if it and/or any person on whose behalf it is participating is located within the United States or is a U.S. Person (as defined in Regulation S), it (and any account for which it is purchasing) is not acquiring UK Placing Shares with a view to any offer, sale or distribution thereof within the meaning of the Securities Act;
8. that the content of this Announcement is exclusively the responsibility of the Company and that neither UK Joint Bookrunner nor any of its Affiliates nor any person acting on its or their behalf has or shall have any responsibility or liability for any information, representation, warranty or statement contained in this Announcement or any information previously or subsequently published by or on behalf of the Company, including, without limitation, any Exchange Information, and will not be liable for any Placee's decision to participate in the UK Placing based on any information, representation, warranty or statement contained in this Announcement or any information previously published by or on behalf of the Company or otherwise;
9. that the only information on which it is entitled to rely and on which such Placee has relied in committing itself to acquire the UK Placing Shares is contained in this Announcement and any other Exchange Information, such information being all that it deems necessary to make an investment decision in respect of the UK Placing Shares, and that it has neither received nor relied on any other information given or investigations, representations, warranties or statements made by either UK Joint Bookrunner or the Company and neither UK Joint Bookrunner nor the Company will be liable for any Placee's decision to accept an invitation to participate in the UK Placing based on any other information, representation, warranty or statement;
10. that it has relied on its own investigation, examination and due diligence of the business, financial or other position of the Company in deciding to participate in the UK Placing and that neither UK Joint Bookrunner nor any of its Affiliates has made any representations to it, express or implied, with respect to the Company, the Bookbuild, the UK Placing or the UK Placing Shares or the accuracy, completeness or adequacy of the Exchange Information, and each of them expressly disclaims any liability in respect thereof;
