LONDON, Jan. 13, 2025 - The board of Condor Gold PLC ("Condor Gold") is pleased to announce that the Court has today sanctioned the scheme of arrangement between Condor Gold and the Scheme Shareholders under Part 26 of the Companies Act (the "Scheme") to implement the recommended acquisition of the entire issued and to be issued share capital of Condor Gold by Metals Exploration plc (the "Acquisition").

The Acquisition is subject to the terms and conditions set out in the scheme document published by Condor Gold on 11 December 2024 (the "Scheme Document").

On 6 January 2025, the Scheme was approved by the requisite majorities of Scheme Shareholders at the Court Meeting and the Resolutions in connection with the implementation of the Scheme were passed by the requisite majority of Condor Gold Shareholders at the General Meeting.

Capitalised terms used in this announcement shall, unless otherwise defined, have the same meanings as set out in the Scheme Document. All references to times in this announcement are to London time unless stated otherwise.

The Scheme remains conditional on, and will become Effective upon, the delivery to the Registrar of Companies of the Court Order, which is expected to occur on 15 January 2025 (the "Effective Date").

Condor Gold confirms that the last day of trading in, and for registrations of transfers of, Condor Gold Shares on AIM and trading in Condor Gold Shares on the Toronto Stock Exchange ("TSX") will be 13 January 2025. A further announcement will be made when the Scheme becomes Effective.

MTL reserves the right to elect to implement the Offer by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and in accordance with the terms of the Cooperation Agreement). In such event, the Offer will be implemented on substantially the same terms, so far as applicable, as those which will apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method of effecting the Offer (including, without limitation: (i) the inclusion of an acceptance condition set at 90 per cent. of the Condor Gold Shares to which such Offer relates (or such other percentage as MTL may, subject to the rules of the Takeover Code and with the consent of the Panel, decide); and (ii) those required by, or deemed appropriate by, MTL under applicable law). Further, if sufficient acceptances of such Offer are received and/or sufficient Condor Gold Shares are otherwise acquired, it is the intention of MTL to apply the provisions of Chapter 3 of Part 28 of the 2006 Act to acquire compulsorily any outstanding Condor Gold Shares to which such Offer relates.

Overseas Shareholders

The release, publication or distribution of this announcement in or into jurisdictions other than the UK may be restricted by law and therefore any persons who are subject to the law of any jurisdiction other than the UK should inform themselves of, and observe, any applicable legal or regulatory requirements. Any failure to comply with such requirements may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared in accordance with and for the purpose of complying with English law, the Takeover Code, the AIM Rules, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules and information disclosed may not be the same as that which would have been prepared in accordance with the laws of jurisdictions outside England including, without limitation the United States and Canada.

The availability of the Offer to Condor Gold Shareholders who are not resident in and citizens of the UK may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Condor Gold Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by MTL or required by the Takeover Code, and permitted by applicable law and regulation, the Offer will not be made available, directly or indirectly, in, into, from, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Notice to Australian Condor Gold Shareholders

The offer of New MTL Shares and CVRs for issue, sale or re-sale within Australia is prohibited unless a disclosure document has been lodged with the Australian Securities and Investments Commission ("ASIC"), or an exemption applies. The New MTL Shares and CVRs will be issued in reliance on exemptions in ASIC Legislative Instrument 2015/358 as the Offer will be made under a foreign compromise or arrangement that is made in accordance with laws in force in the United Kingdom, being an eligible foreign country.

This announcement is not a disclosure document for the purposes of Chapter 6D of the Australian Corporations Act 2001(Cth) ("Corporations Act") and does not purport to include the information required of a disclosure document under Chapter 6D of the Corporations Act. It has not been approved by any Australian regulatory authority, such as ASIC or the Australian Securities Exchange and has not been lodged with ASIC. You are advised to exercise caution in relation to the proposal set out in this announcement. You should obtain independent professional advice if you have any queries or concerns about any of the contents or subject matter of this announcement.

To the extent this announcement is received by a Condor Gold Shareholder in Australia, it is provided in

reliance upon ASIC Corporations (Unsolicited Offers-Foreign Bids) Instrument 2015/1070.

Notice to Canadian Condor Gold Shareholders

The enforcement by Canadian Condor Gold Shareholders of civil liabilities under applicable Canadian Securities Laws may be affected adversely by the fact that Condor Gold and MTL are incorporated under the laws of a jurisdiction other than Canada, that some or all of Condor Gold's and MTL's officers and directors are and, in the case of MTL, will be residents of countries other than Canada, that some or all of the experts named in this announcement may be residents of countries other than Canada, and that all or a substantial portion of the assets of MTL, Condor Gold and such persons are and will be located outside Canada. As a result, it may be difficult or impossible for Canadian Condor Gold Shareholders to effect service of process within Canada upon MTL, Condor Gold or the officers or directors or MTL and/or Condor Gold or the experts named herein, or to realise against them, upon judgments of courts of Canada predicated upon liabilities under applicable Canadian Securities Laws. In addition, Canadian Condor Gold Shareholders should not assume that the courts of England and Wales: (a) would enforce judgments of courts of Canada obtained in actions against such persons predicated upon civil liabilities under applicable Canadian Securities Laws; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under applicable Canadian Securities Laws.

The distribution of the New MTL Shares and the CVRs pursuant to the Acquisition will constitute a distribution of securities that is exempt from the prospectus requirements of applicable Canadian Securities Laws and is exempt from or otherwise is not subject to the registration requirements under applicable Canadian Securities Laws. The New MTL Shares and the CVRs received pursuant to the Acquisition will not be legended and may be resold through registered dealers in all of the provinces and territories of Canada provided that (i) the trade is not a "control distribution" as defined under applicable Canadian Securities Laws, (ii) no unusual effort is made to prepare the market or to create a demand for MTL Shares or the CVRs, (iii) no extraordinary commission or consideration is paid to a person in respect of such sale, and (iv) if the selling security holder is an insider (as defined under applicable Canadian Securities Laws) or officer of MTL, as the case may be, the selling security holder has no reasonable grounds to believe that MTL is in default of applicable Canadian Securities Laws.

The Acquisition relates to the securities of a company organised under the laws of England and Wales with a quotation on the AIM market of the London Stock Exchange and the TSX and is proposed to be implemented pursuant to a scheme of arrangement provided for under the 2006 Act. A transaction effected by means of a scheme of arrangement may differ from the procedures and requirements that would be applicable to a similar transaction under applicable Canadian corporate laws or Canadian Securities Laws, including the Canadian Take-Over Bid Rules. While MTL and Condor Gold will complete the Acquisition in accordance with applicable Canadian Securities Laws, the Acquisition is subject to the procedural and disclosure requirements, rules and practices applicable to schemes of arrangement involving a target company incorporated in England and Wales and listed on AIM and the TSX, which differ in certain areas from the requirements applicable to similar transactions under applicable Canadian corporate laws or applicable Canadian Securities Laws.

As a result of the Acquisition being effected by means of a scheme of arrangement provided for under the 2006 Act, the Acquisition does not constitute a "take-over bid" for the purposes of Canadian Take-Over Bid Rules. However, if, in the future, MTL elects, with the consent of the Panel, to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into Canada, such Takeover Offer will be made in compliance with all applicable Canadian Securities Laws and regulations, including, without limitation, and to the extent applicable, the Canadian Take-Over Bid Rules. In addition to any such Takeover Offer, MTL, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Condor Gold outside such Takeover Offer during the period in which such Takeover Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made, they would be made outside of Canada and would comply with applicable law, including applicable Canadian Securities Laws. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service of the UK Financial Conduct Authority and will be available on the London Stock Exchange's website: www.londonstockexchange.com.

None of the securities, including the New MTL Shares, CVRs or Loan Notes to be issued in connection with the Offer, referred to in this announcement have been approved or disapproved by any Canadian securities regulatory authority nor has any Canadian regulatory authority passed upon or determined the fairness or

merits of such securities or the Offer or upon the adequacy or accuracy of the information contained in this announcement. Any representation to the contrary is an offence.

The receipt of consideration pursuant to the Acquisition by a Canadian shareholder of Condor Gold as consideration for the transfer of its Condor Gold Shares will be a taxable transaction for Canadian federal income tax purposes and under applicable Canadian provincial income tax laws, and may be a taxable transaction for foreign and other tax laws. Upon the delisting of the Condor Gold Shares from trading on the TSX, the Condor Gold Shares will cease to be qualified investments under the Income Tax Act (Canada) for trusts governed by registered retirement savings plans, registered retirement income funds, registered disability savings plans, deferred profit sharing plans, registered education savings plans, tax-free savings accounts and first home savings accounts (each, a "Registered Plan"). Penalty taxes apply to a Registered Plan that holds property that is not a qualified investment. Each annuitant, subscriber or beneficiary of a Registered Plan that holds Condor Gold Shares should consider causing such Registered Plan to dispose of such shares prior to the delisting of the Condor Gold Shares from trading on the TSX. Each shareholder of Condor Gold is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

Notice to U.S. Condor Gold Shareholders

Condor Gold Shareholders in the United States should note that the Offer relates to the securities of a company organised under the laws of England and Wales and is proposed to be effected by means of a scheme of arrangement under the 2006 Act. This announcement, the Scheme Document and certain other documents relating to the Offer have been or will be prepared in accordance with English law, the AIM Rules, the Takeover Code and UK disclosure requirements, and the format and style applicable to a scheme of arrangement under the 2006 Act, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements and practices of the United States tender offer and proxy solicitation rules.

The New MTL Shares, the CVRs and the Loan Notes referred to in this announcement have not been, and will not be, registered under the US Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered, sold, exercised, resold, transferred or delivered, directly or indirectly, in or into the United States except pursuant to an exemption from the registration requirements of the US Securities Act. The New MTL Shares, the CVRs and the Loan Notes are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by section 3(a)(10) thereof. Condor Gold Shareholders who are or will be "affiliates" (within the meaning of Rule 144 under the US Securities Act) of Condor Gold or MTL prior to, or of MTL after, the Effective Date will be subject to certain US transfer restrictions relating to the New MTL Shares, the CVRs and the Loan Notes received pursuant to the Scheme as will be further described in the Scheme Document.

None of the securities referred to in this announcement nor the information contained in this announcement has been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon the fairness or merits of the proposal contained in this announcement or determined the adequacy or accuracy of the information contained herein. Any representation to the contrary is a criminal offence in the United States.

Condor Gold's and/or MTL's financial statements, and all financial information that is included in this announcement or that may be included in the Scheme Document, or any other documents relating to the Offer, have been prepared in accordance with UK adopted International Accounting Standards and may not be comparable to the financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles. US generally accepted principles differ in certain respects from UK adopted International Accounting Standards. None of the financial information in this announcement has been audited in accordance with the auditing standards generally accepted in the US or the auditing standards of the Public Company Accounting Oversight Board of the US.

It may be difficult for US holders of Condor Gold Shares to enforce their rights and any claims they may have arising under US federal securities laws in connection with the Offer, since Condor Gold is organised under

the laws of a country other than the United States, and some or all of its officers and directors may be residents of countries other than the United States, and most of the assets of Condor Gold are located outside of the United States. US holders of Condor Gold Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

If, in the future, with the consent of the Panel, MTL were to elect to implement the Offer by means of a Takeover Offer, such Offer will be made in accordance with the Takeover Code. Such a Takeover Offer may be made in the United States by MTL and no one else. Accordingly, the Offer may be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law.

None of the securities referred to in this announcement have been approved or disapproved by the US Securities and Exchange Commission, any State securities commission in the United States or any other US regulatory authority, nor have any such authorities passed judgment upon the fairness or the merits of the Offer or determined if the information in this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of the Fixed Consideration and the CVR Consideration pursuant to the Offer in the United States as consideration for the transfer of Scheme Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes and under any applicable United States state and local income tax laws. Each Scheme Shareholder in the United States is urged to consult its independent professional tax or legal adviser immediately regarding the US federal, state and local income and non-income tax consequences of the Offer applicable to it, as well as any consequences arising under the laws of any other taxing jurisdiction.

Forward-Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Offer, and other information published by MTL and Condor Gold contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of MTL and Condor Gold about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Offer on MTL and Condor Gold (including their future prospects, developments and strategies), the expected timing and scope of the Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of MTL, Condor Gold, the MTL Group or the Condor Gold Group's operations and potential synergies resulting from the Offer; and (iii) the effects of global economic conditions and governmental regulation on MTL, Condor Gold or any member of the MTL Group's or Condor Gold Group's business.

Although MTL and Condor Gold believe that the expectations reflected in such forward-looking statements are reasonable, MTL and Condor Gold can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Offer; the ability to obtain requisite regulatory approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which MTL and Condor Gold operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which MTL and Condor Gold operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither MTL nor Condor Gold, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Condor Gold Group, there may be additional changes to the Condor Gold Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Other than in accordance with their legal or regulatory obligations, neither MTL nor Condor Gold is under any obligation, and MTL and Condor Gold expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.
