

# Tower Resources Ltd. Announces Participation in the 2025 AME Roundup Conference

20.01.2025 | [Newsfile](#)

Vancouver, January 20, 2025 - [Tower Resources Ltd.](#) (TSXV: TWR) ("Tower" or the "Company") a Canadian-based mineral exploration company, is pleased to announce its participation in the prestigious 2025 AME Roundup Conference, a leading event for the global mineral exploration and mining industry. The conference will take place in Vancouver, British Columbia, from January 20 to January 25, 2025.

Tower will host technical discussions and showcase its exploration projects at Booth #1020 on Wednesday, January 22, and Thursday, January 23, 2025. Key members of Tower's team, including Stu Averill, will be available at the booth to provide insights into the company's flagship property, the Rabbit North Project, as well as the newly discovered Blue Sky zone. The team looks forward to engaging with industry professionals, investors, and stakeholders

The AME Roundup Conference is an unparalleled platform for fostering collaboration and showcasing innovation in mineral exploration. Held annually in Vancouver, British Columbia, it attracts over 6,500 participants, including geoscientists, industry executives, investors, and government representatives. The 2025 conference focuses on critical minerals, technological advancements, and sustainable practices, featuring keynote sessions, technical discussions, and interactive exhibits that highlight the latest developments in the resource sector.

Reader Advisory

This news release may contain statements which constitute "forward-looking information", including statements regarding the plans, intentions, beliefs and current expectations of the Company, its directors, or its officers with respect to the future business activities of the Company. The words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions, as they relate to

the Company, or its management, are intended to identify such forward-looking statements. Investors are cautioned that any such forward-looking statements are not guarantees of future business activities and involve risks and uncertainties, and that the Company's future business activities may differ materially from those in the forward-looking statements as a result of various factors, including, but not limited to, fluctuations in market prices, successes of the operations of the Company, continued availability of capital and financing and general economic, market or business conditions. There can be no assurances that such information will prove accurate and, therefore, readers are advised to rely on their own evaluation of such uncertainties. The Company does not assume any obligation to update any forward-looking information except as required under the applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
