

Auric Minerals Announces Convertible Debenture Financing and Raises \$429,021 from Warrant Exercise

20.01.2025 | [Newsfile](#)

Vancouver, January 20, 2025 - [Auric Minerals Corp.](#) (CSE: AUMC) ("Auric" or the "Company") is pleased to announce a non-brokered financing of convertible debenture units for up to \$1,000,000, and has raised \$429,021 from exercised warrants.

The debentures will have a two year term, convertible at \$0.95 a share, and will pay interest of 8% semi annually in cash or shares (based on 10 day VWAP) at the election of the Company. Each Unit of \$1,000 debentures will have 1,000 warrants exercisable at \$1.25 at any time for a period of 3 years.

The Company intends to use the proceeds of the financing for exploration and technical work on its properties, evaluation and potential acquisition of additional strategic assets, general claim maintenance, corporate and working capital purposes.

The Company may pay finders' fees to eligible finders in connection with the offering, subject to compliance with applicable securities laws and Canadian Securities Exchange policies.

Forward-Looking Statements

This news release contains certain "forward-looking statements" within the meaning of Canadian securities legislation, including statements regarding the expected completion of the Financing, the potential negotiation of strategic partnerships, and the use of proceeds. Forward-Looking statements are based on a number of assumptions and estimates that, while considered reasonable by Auric Minerals Corp. ("Auric" or the "Company") as of the date of this news release, are inherently subject to significant business, economic, competitive, political, and social uncertainties and contingencies.

Forward-Looking statements involve known and unknown risks, uncertainties, and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Such factors include, among others: the ability of the Company to successfully complete the Financing on the terms currently contemplated or at all; changes in economic conditions or financial markets; changes in operating conditions (including capital costs, operating costs, and supply chain constraints); and receipt of necessary approvals.

There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Readers should not place undue

reliance on forward-looking statements. The forward-looking statements are expressly qualified in their entirety by this cautionary statement. The Company does not undertake any obligation to update or revise any forward-looking statements except as required by applicable securities laws.

The forward-looking information in this news release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company. The Company has also assumed that no significant events occur outside of the Company's normal course of business. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.
