Loan Amendment Update

The Corporation is pleased to announce the amendment of its \$12,200,000 promissory note, originally dated July 7th, 2024, in collaboration with its principal lender. As part of this amendment, an additional \$750,000 has been added to the principal balance, increasing the total to \$12,950,000 as of January 23rd, 2025. The original terms of the note remain unchanged, including a 12% interest rate and a two-year maturity period. This amendment is subject to TSXV acceptance.

The proceeds from the increased loan will be utilized to execute a twelve to fifteen-well workover program in Prospera's Heart's Hill and Luseland properties. This program targets low-risk production opportunities by selecting capital efficient projects, driving additional cash flow and production sustainability.

Shares for Debt

Prospera has entered into an additional agreement to settle a trade payable with a critical vendor totaling \$75,000 through the issuance of 1,250,000 common shares at a deemed price of \$0.06 per share. This vendor is a key partner and is committed to the company's future development plans. The shares will be subject to a trading restriction of four months and a day from the date of issuance and are subject to TSXV acceptance.
