28.01.2025 | [CNW](#)

CALGARY, Jan. 28, 2025 - [Frontera Energy Corp.](#) (TSX: FEC) ("Frontera" or the "Company") announces that the Company has taken up and paid for 3,500,000 of its outstanding common shares (the "Shares") at a price of \$12.00 per Share (the "Purchase Price") under its additional substantial issuer bid pursuant to which the Company offered to purchase from shareholders for cancellation up to \$42 million (equivalent to US\$30 million) of Shares (the "Offer"). All dollar amounts are in Canadian dollars unless otherwise specified.

Gabriel de Alba, Frontera's Chairman of the Board commented:

"We are very pleased with the high level of acceptance from our shareholders and the positive outcome of the Offer which builds on our successful October 2024 SIB. With the completion of this Offer, the Company has returned \$83 million (US\$60 million) to investors since October 2024, with an average of 90.5% shareholder participation.

Frontera continues to deliver on its commitment to generate value to shareholders and anticipates initiating share repurchases under a normal course issuer bid following fourth quarter and year end results. The Company will continue to take further actions to unlock value for its shareholders for 2025 and beyond."

The Shares taken up and paid for by the Company represent approximately 4.33% of the total number of Frontera's issued and outstanding Shares as of January 24, 2025. The aggregate Purchase Price is equal to \$42,000,000. After the cancellation of the Shares taken up and paid for by the Company, Frontera anticipates that 77.29 million Shares will be issued and outstanding.

73,083,094 Shares were validly tendered and not withdrawn. Since the Offer was oversubscribed, the tendered Shares will be purchased on a pro rata basis. Shareholders who tendered will have approximately 4.79% of their tendered Shares purchased by the Company.

Payment for Shares taken up by the Company under the Offer will be effected by Computershare Investor Services Inc., the depository for the Offer, on or about January 28, 2025, in accordance with the Offer and applicable law. Any Shares not taken up, including such Shares not taken up as a result of proration or as a result of being invalidly tendered, will be returned to shareholders as soon as practicable.

To assist shareholders in determining the tax consequences of the Offer, Frontera estimates that based on the estimated paid-up capital of \$14.93 per Share at January 24, 2025, shareholders who disposed of Shares pursuant to the Offer may not be deemed to receive a taxable dividend.

Shareholders should consult with their own tax advisors with respect to the income tax consequences of the disposition of their Shares under the Offer.

The terms and conditions of the Offer are described in the offer to purchase and issuer bid circular dated December 19, 2024, letter of transmittal and notice of guaranteed delivery, copies of which were filed and are available without charge on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca)
