

# CopperEx Signs Kio Buggy Property Community Agreement

03.02.2025 | [Newsfile](#)

Vancouver, February 3, 2025 - [CopperEx Resources Corp.](#) (TSXV: CUEX) (the "Company" or "CopperEx") announces that the Company has formalized an access agreement for the Kio Buggy property with the local community.

CopperEx has signed an access agreement with the local Kio Buggy property community, allowing access for surface exploration works up to the 30<sup>th</sup> of June 2026. The agreement is automatically extended by two years should the Company undertake drilling activities prior to the 30<sup>th</sup> of June 2026.

Dave Prins, the Company's President and CEO said, "We are pleased to formalize the Kio Buggy community access agreement, whereby CopperEx maintains an excellent relationship with the local community. Although the Kio Buggy property area has no community sovereignty covering it, when working on the property we opt to stay in the local town and use the local workforce, showing our commitment to this community."

"We continue to work on an access agreement for the La Rica property in Peru and will advise accordingly."

Additional information about CopperEx and its Projects can be found on the Company's website at [copperexcorp.com](http://copperexcorp.com), or email [info@copperexcorp.com](mailto:info@copperexcorp.com).

Forward-Looking Information.

Forward-Looking Statement (Safe Harbor Statement): This press release contains forward looking statements within the meaning of applicable securities laws. The use of any of the words "anticipate", "plan", "continue", "expect", "estimate", "objective", "may", "will", "project", "should", "predict", "potential" and similar expressions are intended to identify forward looking statements. In particular, this press release contains forward-looking statements concerning the Company's exploration plans. Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company cannot give any assurance that they will prove correct. Since forward looking statements address future events and conditions, they involve inherent assumptions, risks, and uncertainties. Actual results could differ materially from those currently anticipated due to a number of assumptions, factors, and risks. These assumptions and risks include, but are not limited to, assumptions and risks associated with conditions in the equity financing markets, and assumptions and risks regarding receipt of regulatory and shareholder approvals.
