05.02.2025 | [Newsfile](#)

Calgary, February 5, 2025 - [Gear Energy Ltd.](#) (TSX: GXE) (OTCQX: GENGF) ("Gear" or the "Company") and Lotus Creek Exploration Inc. (TSXV: LTC) ("Lotus Creek") are pleased to announce the completion of the acquisition by a large publicly traded company of all of the outstanding common shares of Gear (the "Gear Shares") pursuant to its previously announced plan of arrangement under Section 193 of the Business Corporations Act (Alberta) (the "Arrangement") including all of Gear's heavy oil assets (other than its Tucker Lake property) and the completion of the transfer of Gear's other property and assets, which includes its light oil assets in Central Alberta and Southeast Saskatchewan and its heavy oil assets in Tucker Lake, to Lotus Creek.

It is anticipated that the Gear Shares will be delisted from trading on the Toronto Stock Exchange ("TSX") within two to three business days following the date hereof. The common shares of Lotus Creek (the "Lotus Creek Shares") issued to former shareholders of Gear (the "Gear Shareholders") have been conditionally approved for listing on the TSX Venture Exchange ("TSXV"). Trading in respect of the Lotus Creek Shares is expected to commence on February 11, 2025 under the symbol "LTC", subject to Lotus Creek meeting and fulfilling all exchange requirements.

Under the Arrangement, Gear Shareholders had the option of electing to receive, for each full Gear Share held: (i) \$0.607 in cash per Gear Share; (ii) 0.3035 of a Lotus Creek Share per Gear Share; or (iii) a combination thereof, with Gear Shareholders who did not make an election prior to the election deadline, being deemed to have elected to receive 50% of the consideration in cash and 50% of the consideration in Lotus Creek Shares. Additionally, the consideration to be received by Gear Shareholders under the Arrangement, was subject, in all cases, to adjustment if elections, and deemed elections, exceeded cash of \$80,000,000 (which was the maximum cash available pursuant to the Arrangement) or 40,000,000 Lotus Creek Shares (which was the maximum Lotus Creek Shares available pursuant to the Arrangement). As a result of the aggregate amount of cash elected, or deemed to have been elected, to be received by Gear Shareholders exceeding the maximum available cash, there will be adjustments to the cash distributed to Gear Shareholders who have elected to receive 100% cash or have elected, or been deemed to have elected, to receive a combination of cash and Lotus Creek Shares. Gear Shareholders who have elected to receive 100% cash, will receive approximately \$0.449 in cash and 0.079 of a Lotus Creek Share for each Gear Share held and, Gear Shareholders who have elected, or have been deemed to have elected, to receive 50% of the consideration in cash and 50% of the consideration in Lotus Creek Shares will receive approximately \$0.225 in cash and 0.191 of a Lotus Creek Share for each Gear Share held. There will be no adjustment for Gear Shareholders who have elected to receive 100% in Lotus Creek Shares with such shareholders receiving 0.3035 of a Lotus Creek Share for each Gear Share held. Fractional Lotus Creek Shares will not be transferred. In lieu of any fractional Lotus Creek Share, each holder of Gear Shares otherwise entitled to a fractional interest in a Lotus Creek Share will only be entitled to receive the lowest whole number of Lotus Creek Shares (with all fractions being rounded down). Any amount of cash consideration to be paid will be rounded to the nearest whole cent.

In order for Gear Shareholders to receive the consideration to which they are entitled pursuant to the Arrangement, registered Gear Shareholders are required to deposit the certificate(s) or direct registration statement ("DRS") advice(s) (if any) representing the Gear Shares held by them along with a completed letter of transmittal and election form with Odyssey Trust Company at the address indicated in the letter of transmittal and election form. Registered Gear Shareholders who do not deposit a completed letter of transmittal and election form, together with the certificate(s) or DRS advice(s) representing their Gear Shares, will not receive the consideration to which they are otherwise entitled pursuant to the Arrangement until the deposit of such materials is made. Registered Gear Shareholders should have received a letter of transmittal and election form from Odyssey Trust Company with the materials for the special meeting of the

Gear Shareholders (the "Gear Meeting"). If you are a registered Gear Shareholder and have not received your letter of transmittal and election form contact Odyssey Trust Company by phone at 1-888-290-1175 or by e-mail at corp.actions@odysseytrust.com.

Beneficial Gear Shareholders (i.e. Gear Shareholders who hold their Gear Shares in a brokerage account (including in a direct investing or other discount brokerage or trading account)) will receive the consideration through their intermediary/broker.

The materials in connection with the Gear Meeting are available on Gear's profile on SEDAR+ at www.sedarplus.ca and on Gear's website at <https://gearenergy.com/>
