

West Point Gold Corp. Names Andrew Bowering as Strategic Advisor

10.02.2025 | [Newsfile](#)

West Point Gold (TSXV: WPG) (OTCQB: WPGCF) (FSE: LRA0) ("West Point Gold" or the "Company") is pleased to announce that Andrew Bowering has been named a Strategic Advisor.

Andrew Bowering is a renowned venture capitalist with over 35 years of experience building shareholder value through mineral exploration, project development, strategic acquisitions and large-scale equity financings. He has founded, funded, and led teams in the pursuit of various metals, from initial exploration to production. Mr. Bowering has held senior management roles, overseeing asset acquisitions and sales and the raising of over \$500 million in development capital. He is the founder, director and large shareholder of [Prime Mining Corp.](#) and Apollo Silver. He co-founded [Millennial Lithium Corp.](#) (acquired by Lithium Americas) and is actively involved in other publicly traded companies in the battery and precious metals sectors.

"We are quite fortunate to attract someone of Andy's calibre to advise our team at this stage," stated Quentin Mai, CEO, "Andy's extensive proven track record is expected to provide us with insight and guidance as we grow the company."

Commenting on his appointment, Mr. Bowering stated, "Over the past few months, I've got to know [West Point Gold Corp.](#) and am impressed with both the calibre of the team and the potential of the assets Quentin and the team have assembled. Their Gold Chain project is a compelling opportunity with multiple avenues for gold discovery and value creation. I look forward to working alongside the group as they unlock the full potential of this asset and explore ways to maximize returns for their stakeholders."

About West Point Gold Corp.

West Point Gold Corp. (formerly Gold79 Mines Ltd.) is a publicly listed company focused on gold discovery and development at four prolific Walker Lane Trend projects covering Nevada and Arizona, USA. West Point Gold is focused on developing a maiden resource at its Gold Chain project in Arizona, while JV partner Kinross is advancing the Jefferson Canyon project in Nevada.

FORWARD-LOOKING STATEMENTS:

This press release may contain forward-looking statements that are made as of the date hereof and are based on current expectations, forecasts and assumptions which involve risks and uncertainties associated with our business, including any future private placements, the uncertainty as to whether further exploration will result in the target(s) being delineated as a mineral resource, capital expenditures, operating costs, mineral resources, recovery rates, grades and prices, estimated goals, expansion and growth of the

business and operations, plans and references to the Company's future successes with its business and the economic environment in which the business operates. All such statements are made pursuant to the 'safe harbour' provisions of, and are intended to be forward-looking statements under, applicable Canadian securities legislation. Any statements contained herein that are statements of historical facts may be deemed to be forward-looking statements. By their nature, forward-looking statements require us to make assumptions and are subject to inherent risks and uncertainties. We caution readers of this news release not to place undue reliance on our forward-looking statements as a number of factors could cause actual results or conditions to differ materially from current expectations. Please refer to the risks set forth in the Company's most recent annual MD&A and the Company's continuous disclosure documents, which can be found on SEDAR at www.sedarplus.ca. West Point Gold does not intend, and disclaims any obligation, except as required by law, to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
