

# Nobel Resources Announces Resumption of Trading

27.02.2025 | [GlobeNewswire](#)

TORONTO, Feb. 27, 2025 - [Nobel Resources Corp.](#) (TSX - V: NBLC) (the "Company" or "Nobel") is pleased to announce that its common shares (the "Nobel Shares") will recommence trading on the TSX Venture Exchange ("TSXV") on March 3, 2025. Trading of the Nobel Shares on the TSXV has been halted since the Company announced it had entered into option agreements to acquire a Chilean copper portfolio in Antofagasta Region, Chile (the "Transaction"). Please refer to the Company's press release dated January 6, 2025 for further details regarding the Transaction.

The Company has submitted a draft NI 43-101 technical report for the Cuprita project, the cornerstone property in the Transaction, to the TSXV and is working to satisfy the TSXV's conditions to close the Transaction.

## Cautionary Note Regarding Forward-looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, regarding the trading of the Nobel Shares, the Transaction and the Company's ability to close the Transaction, the Company's ability to explore and develop the properties and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Nobel, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; risks associated with operation in foreign jurisdictions; ability to successfully integrate the purchased properties; foreign operations risks; and other risks inherent in the mining industry. Although Nobel has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Nobel

does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
