12.03.2025 | [Newsfile](#)

Vancouver, March 12, 2025 - [Zincore Metals Inc.](#) (TSXV: ZNC.H) (the "Company") is pleased to announce that it has completed its upsized non-brokered private placement of 31,200,930 subscription receipts of the Company (the "Subscription Receipts") at a price of \$0.15 per Subscription Receipt for aggregate gross proceeds of \$4,680,139.55 (the "Financing").

The Financing was completed in connection with the Company's proposed acquisition of the Reedy Creek and Providence gold projects in Victoria, Australia (collectively, the "Project") from [Great Pacific Gold Corp.](#) (the "Vendor"). As previously announced, the Company entered into a share purchase agreement dated effective December 3, 2024 among the Company, the Vendor and 1513609 B.C. Ltd., a wholly-owned subsidiary of the Vendor ("BC Subco"), pursuant to which, subject to regulatory approval, the Company will acquire 100% of the issued and outstanding shares of BC Subco (the "Proposed Transaction"), which will hold, through an Australian subsidiary, a 100% interest in and to the Project.

On or prior to the closing of the Proposed Transaction, the Company will complete a consolidation (the "Consolidation") of its issued and outstanding common shares (the pre-Consolidation common shares in the authorized structure of the Company being referred to as, the "Common Shares") on the basis of one (1) new common share in the authorized structure of the Company (the "Post-Consolidation Common Shares") for each 2.5 old Common Shares. It is also anticipated that concurrent with the completion of the Proposed Transaction the Company will change its name to "Golden Cross Resources Inc." (the "Name Change").

The proceeds of the Financing have been placed into escrow pending closing of the Proposed Transaction. Upon satisfaction of certain release conditions, which include the completion of the Proposed Transaction, each Subscription Receipt will be deemed to be exercised, without payment of any additional consideration and without further action on the part of the holder thereof, for one (1) Post-Consolidation Common Share, and the escrowed subscription funds will be released to the Company. Should the escrow release conditions not be satisfied or waived, or if the Proposed Transaction is not completed, the Subscription Receipts will be cancelled, and the escrowed funds will be returned to subscribers.

In connection with the Financing, upon exercise of the Subscription Receipts, the Company will pay finder's fees to eligible finders consisting of \$173,978.97.

The proceeds of the Financing will be used to fund (i) expenses of the Proposed Transaction and the Financing, (ii) the exploration and development of the Project, and (iii) working capital requirements of the Company following completion of the Proposed Transaction. The Financing remains subject to the final approval of the TSX Venture Exchange (the "Exchange"). All securities issued in connection with the Financing are subject to a statutory hold period of four months plus one day in accordance with Canadian securities legislation.

In connection with the closing of the Proposed Transaction, the Company expects to appoint Alan Till as the Company's VP of Exploration. Mr. Till is an exploration geologist with over 17 years of experience in base metals, gold, mineral sands, and graphite.
