

# Ecora Resources PLC Announces Notification of Transactions by Directors

31.03.2025 | [ACCESS Newswire](#)

Notification of transactions by Directors, Transfer of Treasury Shares and Total Voting Rights

LONDON, March 31, 2025 - Ecora (LSE:ECOR)(TSX:ECOR)(OTCQX:ECRAF) announces that on 27 March 2025 the Company transferred 436,733 ordinary shares of 2 pence each in the Company ("Shares") out of treasury (the "Transfer"), to satisfy exercises of options by a number of employees, including Marc Bishop Lafleche, Chief Executive Officer and Kevin Flynn, Chief Financial Officer.

Mr. Bishop Lafleche and Mr. Flynn exercised 63,542 and 90,547 nil cost option awards (the "Awards") granted under the Company's Long Term Incentive Plan ("LTIP") on 27 March 2025, respectively. The Awards vested on 24 February 2025, following the assessment of the performance conditions which are disclosed in the 2024 Remuneration Report on pages 117 and 118 of the 2024 Annual Report and Accounts, available on the Company's website [www.ecora-resources.com](http://www.ecora-resources.com). Subsequently, Mr. Bishop Lafleche and Mr. Flynn sold 29,985 and 42,728 Shares, respectively, at an average approximate price of £0.599 per Share, to satisfy income tax associated with the Awards.

On 27 March 2025 awards of Shares were made under the Company's LTIP at nil cost, with Mr. Bishop Lafleche granted 1,319,818 Awards and Mr. Flynn granted 804,135 Awards as detailed below. A share price of £0.6431, being the 5-day volume weighted average price before grant as approved by the Company's Remuneration Committee, has been used to determine the number of Shares awarded.

The LTIP provides Directors with Shares awarded on a conditional basis as determined by the Remuneration Committee. These awards will vest in March 2028, subject to the satisfaction of performance conditions linked to total shareholder return, portfolio contribution and adjusted earnings per share as detailed on page 112 of the 2024 Annual Report and Accounts. Any vested Shares will then be subject to a further holding period of two years and will be released in March 2030.

## Total Voting Rights

Following the above Transfer, the Company's issued capital consisted of 261,732,553 Shares, of which 12,697,887 Shares were held in treasury.

Therefore, the total number of voting rights in the Company is 249,034,666. This number may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the FCA's Disclosure and Transparency Rules.

These transactions took place on the London Stock Exchange.

## Director Share Dealings - Further information
