

American Tungsten Corp. Joins The Critical Mineral Institute

02.04.2025 | [GlobeNewswire](#)

[American Tungsten Corp.](#) (CSE:TUNG) (OTCQB:DEMRF) (FSE:RK9) ("American Tungsten" or the "Company") is pleased to announce that it has become a member of the Critical Minerals Institute (the "CMI").

The CMI is a global organization dedicated to addressing the challenges and opportunities in the critical minerals sector. The CMI provides comprehensive resources for businesses, governments, and stakeholders, offering insights into the value, sustainability, and strategic importance of critical materials essential for technological and industrial progress.

"We are excited to be joining the CMI and are looking forward to helping advance the dialogue around the needs and challenges within the critical minerals sector in North America," said Murray Nye, CEO of American Tungsten. "The CMI is comprised of industry veterans and experts, and the American Tungsten team looks forward to working alongside them to support the CMI's mission of addressing the complex challenges of building critical minerals supply chains, navigating political pressures, and furthering North America's national security agendas."

ABOUT AMERICAN TUNGSTEN CORP.

American Tungsten Corp. (previously Demesne Resources Inc.) is a Canadian-based company involved in the acquisition and exploration of magnetite mineral properties. The Company's Star Project consists of five contiguous mineral titles covering an area of approximately 4,615.75 hectares located in the Skeena Mining Division, British Columbia, Canada. The Company has entered into an option agreement pursuant to which it is entitled to earn an undivided 100% interest in the Star Project. American Tungsten has also entered into an option agreement, pursuant to which it can acquire a 100% interest (subject to a 2% royalty) in and to the IMA Mine Project, a past producing underground tungsten mine situated on 21 patented claims located in East Central, Idaho, United States. In addition, the Company has acquired surrounding mining rights at its IMA Mine Project through the staking of 113 WMO federal lode mining claims covering an area of 1,988.6 acres (804.75ha).

The Canadian Securities Exchange does not accept responsibility for the adequacy or accuracy of this release and has neither approved nor disapproved the contents of this press release.

This news release includes certain statements that may be deemed "forward-looking statements". All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "believes", "expects", "plans", "anticipates", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Forward looking statements in this news release include statements respecting: (i) the IMA Mine Project and the mineral prospects thereon, (ii) the Company's performance of its obligations under the Option Agreement, and the exercise of the option thereunder, and (iii) the Company's planned activities on the IMA Mine Project. Factors that could cause the actual results to differ materially from those in forward-looking statements include the receipt of regulatory approvals, market prices, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
