

Eureka Announces Private Placement Offering

17.04.2025 | [Newsfile](#)

Vancouver, April 17, 2025 - [Eureka Lithium Corp.](#) (CSE: ERKA) (OTCQB: UREKF) (FSE: S580) ("Eureka Lithium" or the "Company") is pleased to announce that it intends to complete a non-brokered private placement (the "Private Placement") offering of units (each a "Unit") at a price of \$0.0825 per Unit, for gross proceeds of approximately \$400,000. Each Unit will consist of one common share of the Company ("Common Share") and one Common Share purchase warrant ("Warrant"), with each Warrant entitling the holder to purchase one Common Share at a price of \$0.11 per share for a period of 24 months following issuance.

The Company intends to use the proceeds of the Private Placement for working capital and general corporate purposes.

The securities issued to Canadian subscribers in connection with the Private Placement will be subject to a hold period of four months and one day from the date of issuance, in accordance with applicable Canadian securities laws.

The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended, or any U.S. state securities laws, and may not be offered or sold in the United States absent registration or available exemptions from such registration requirements. This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States, or in any jurisdiction in which such offer, solicitation or sale would be unlawful.

About Eureka Lithium Corp.

Eureka Lithium is the largest lithium-focused landowner in the northern third of Quebec, known as the Nunavik region, with 100% ownership of three projects comprising 1,408 sq. km in the emerging Raglan West, Raglan South and New Leaf Lithium Camps. These claims were acquired from legendary prospector Shawn Ryan and are located in a region that hosts two operating nickel mines with deep-sea port access.

Forward-Looking Statements

This news release contains forward-looking statements and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact included in this news release such as statements regarding the contemplated closing of the Private Placement or whether it will close at all, and the use of proceeds of the Private Placement, are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include but are not limited to the risks detailed from time to time in the filings made by the Company with securities regulators. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company.

Factors that could cause actual results to vary from forward-looking statements or may affect the operations,

performance, development and results of the Company's business include, among other things, that mineral exploration is inherently uncertain and may be unsuccessful in achieving the desired results; that mineral exploration plans may change and be re-defined based on a number of factors, many of which are outside of the Company's control; the Company's ability to access sources of debt and equity capital; competitive factors, pricing pressures and supply and demand in the Company's industry. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company will update or revise publicly any of the included forward-looking statements as expressly required by applicable law.

The Canadian Securities Exchange (CSE) has not reviewed, approved, or disapproved the contents of this press release.
