

# Primary Hydrogen Engages Veteran Landman to Support U.S. Expansion

28.04.2025 | [ACCESS Newswire](#)

CALGARY, April 28, 2025 - [Primary Hydrogen Corp.](#) (TSXV:HDRO)(FRA:83W0)(OTCQB:HNATF) ("Primary" or the "Company") is pleased to announce the engagement of Trent Sizemore and his firm, Lonewolf Energy Inc., to support the Company's U.S. project expansion strategy.

Trent brings over 40 years of land and energy acquisition experience across the United States. As founder of Lonewolf Energy, he has led major land programs in oil, gas, and emerging resources, from leasing to infrastructure. His proven ability to navigate complex regulatory, surface, and title issues makes him a strong strategic partner as we grow our U.S. natural hydrogen portfolio.

"Trent's track record and deep understanding of land strategy and execution across multiple jurisdictions will be instrumental as we advance our U.S. asset base," said Ben Asuncion, CEO of Primary Hydrogen.

## About Lonewolf Energy

Founded in 1996 and based in Billings, Montana, Lonewolf Energy is a land services firm with extensive experience across oil, gas, helium, mining, geothermal, solar, and wind projects. The firm works primarily in the Central and Western U.S., offering services from lease acquisition and title research to regulatory navigation and infrastructure planning.

## About Primary Hydrogen Corp.

Primary Hydrogen is focused on exploring and developing natural hydrogen assets. The Company holds over 740 acres in the U.S. and 210 square kilometers across Canada, including the Blakelock, Hopkins, Mary's Harbour, Point Rosie, Crooked Amphibolite, Coquihalla, and Cogburn projects. Primary also owns the Arthur Lake copper project in British Columbia.

## CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

This news release contains "forward-looking information" and "forward-looking statements" within the meaning of applicable securities legislation. The forward-looking statements herein are made as of the date of this news release only. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budgets", "scheduled", "estimates", "forecasts", "predicts", "projects", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward-looking information in this news release includes, but is not limited to, the anticipated effects of the Shares' quotation on the FSE

and OTCQB.

Although the Company believes, in light of the experience of their officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in the forward-looking statements and information in this news release are reasonable, undue reliance should not be placed on them because the parties can give no assurance that such statements will prove to be correct. Such statements and information reflect the current view of the Company. There are risks and uncertainties that may cause actual results to differ materially from those contemplated in those forward-looking statements and information.

Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this news release. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including, but not limited to, the risk that the quotation of the Shares on the FSE and the OTCQB do not have the anticipated effects, inherent risks associated with the mining industry and the results of exploration activities and development of mineral properties, stock market volatility and capital market fluctuations, general market and industry conditions, as well as those risk factors discussed in the Company's most recently filed management's discussion and analysis filed under the Company's SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca). Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws.
